#### EDUCATION BENEFIT FORM INSTRUCTIONS - School Year 2024-2025

To ensure maximum funding for your students' school, we must collect this completed form from all households. Use these directions to complete the Education Benefit Form for San Ysidro School District. Complete using only blue or black ink.

**Step 1:** Please list each student attending a school within the SYSD. Legibly print the student date of birth, first and last name, grade and school name.

**Step 2:** Count the total number of people living in your home and identify the total gross monthly income range.

**Who should I include in "People Living in Home"?**

You must include yourself and all people living in your household, related or not (for example, children, grandparents, other relatives, or friends) who share income and expenses. If you live with other people who are economically independent (for example, who do not share income with your children, and who pay a pro-rated share of expenses), do not include them.
