## Principal's Message

Thank you for reading the annual School Accountability Report Card for San Ysidro Middle School. This report includes valuable information about our academic achievement, professional staff, curricular programs, instructional materials, safety procedures, classroom environment and condition of facilities.

Our focus at San Ysidro Middle School is to provide a safe and positive school climate where students are actively involved in learning academics as well as positive values. Students have access to a challenging curriculum taught by dedicated, professional staff members who use engaging and differentiated instructional strategies to effectively meet the individual needs of students. Ongoing evaluation of student progress and achievement helps us refine the instructional program so students can achieve academic proficiency. Through collaborative and individual effort, our students can overcome the challenges that they will face to reach their maximum potential.

## School Mission Statement

San Ysidro Middle School will provide an environment where all students will gain and practice 21st century skills in a College Career Readiness atmosphere so that they will be prepared for success in high school and beyond.

## School Vision Statement

### Environment

San Ysidro Middle School will provide an environment where our students' well-being is protected and nurtured through:

- The organization and use of resources to create a safe campus.
- The commitment of all adults to establish individual and supportive relationships with students.
- The development of meaningful programs and activities that allow our students to feel connected to our school community.

### Opportunity

San Ysidro Middle School will provide opportunities for our students through:

- A commitment to equity and access characterized by the recognition that our students are individuals with individual needs.
- The use of student data to determine and provide individualized plans for academic achievement.
- A focus on student responsibility and accountability matched with individualized supports.

### 21st Century Skills

San Ysidro Middle School will provide rigorous learning experiences for our students to gain and practice the Four C's, Creativity, Collaboration, Communication and Critical Thinking through:

- Core coursework that is aligned with the California Core State Standards and emphasizes rigorous, high-level learning with relevance to our student's future academic and career goals.
- Elective coursework that allows student to explore their personal skills, abilities and interests.
- The daily delivery of instruction by highly qualified teachers whose lessons are planned to ensure student engagement in the learning process.
- The use of technology as a tool to enhance and apply learning.

### Success

San Ysidro Middle School will establish success for our students by:

- Maintaining high expectations for all our school stakeholders.
- Providing individualized support for students.
- Prioritizing professional development and collaboration for teachers.
- Welcoming parent involvement and participation.
- Developing partnerships within our community.

## School Safety

The district developed a Comprehensive School Safety Plan in order to comply with Senate Bill 187 of 1997. The plan provides students and staff means to ensure a safe and orderly learning environment. Key elements of the Comprehensive School Safety Plan include child-abuse reporting procedures, teacher notification of dangerous-pupils procedures, disaster-response procedures, procedures for safe entering to and exiting from school, sexual harassment policy, suspension and expulsion policies, dress code and discipline policies.

San Ysidro Middle School places a strong emphasis on safety for students and staff. Emergency plans are reviewed frequently. Annual training procedures and drills for earthquakes, fires, intruders and bus evacuations are held according to district requirements. Maintenance staff works with a scheduled preventive program to offset costly repairs. The staff models and reviews safe behaviors and practices with the students regularly. The school safety plan was last reviewed, updated and discussed with the school faculty in November 2024.

## School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

## District Mission Statement

The mission of the San Ysidro School District:

*Quality education and opportunity for all students to succeed.*

## District Vision Statement

The San Ysidro School District, in partnership with our teachers and community, is committed to providing a high-quality, multicultural learning environment that promotes academic excellence, social responsibility, and physical and emotional well-being for all students.

## Enrollment by Student Group

The total enrollment at the school was 548 students for the 2023-24 school year. The pie chart displays the percentage of students enrolled in each group.

### Demographics

2023-24 School Year

## Class Size Distribution

The bar graph displays the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

## Professional Development

All curriculum and instructional improvement activities at San Ysidro School District are aligned to the California Common Core State Standards and frameworks. The district professional-development program provides opportunities for teachers and support staff to implement the district's core curriculum for all students, update subject-area expertise, use data to plan instructional improvement strategies and acquire new instructional strategies for use in the classroom. Additionally, teachers and support staff have the opportunity to participate in conferences, districtwide professional development throughout the year focusing on Common Core State Standards implementation and specific training to support English language learners and students with special needs.

At the site level each year, targeted professional-improvement activities are provided for teachers and support staff that reflect the specific school goals and objectives reflected in the school site plan such as: Professional Learning Community (PLC); Grade Level Collaborations as well as various conferences and workshops, such as Association of California School Administrators (ACSA) Leadership Summit, Project GLAD training, AVID Institutes, CAFE Summer Institute, CAFE Dual Language Teacher Academy, Universal Design for Learning Sessions, WRITE Foundations Trainings, Middle School Math Trainings from San Diego County Office of Education, TK-2 Math Training Sessions from Emily Stewart, as well as training sessions for the newly adopted instructional materials (Twig Science, and Savvas, CA History Social Science myWorld Interactive).

## California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students participating in each of the five fitness components for the most recent testing period. For more detailed information on the California PFT, please visit [www.cde.ca.gov/ta/tg/pf](http://www.cde.ca.gov/ta/tg/pf).

## Statewide Assessments

**Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade 10, 11 or 12).

## CAASPP Test Results in Science for All Students

The table below shows the percent of students meeting or exceeding the State standard on the CAASPP—California Science Test (CAST) and the California Alternate Assessment for Science (CAA for Science) for grades 5, 8 and once in high school (i.e., grade 10, 11 or 12).

## CAASPP Test Results in ELA and Mathematics for All Students

The table below shows the percent of students meeting or exceeding the State standards on the California Assessment of Student Performance and Progress (CAASPP) Smarter Balanced Summative Assessments and California Alternate Assessments (CAAs) for English language arts/literacy (ELA) and mathematics for grades 3-8 and 11.

English language arts/literacy	31%	26%	35%	35%	46%	47%
Mathematics	17%	13%	24%	26%	34%	35%

## CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The “percentage met or exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## Textbooks and Instructional Materials

San Ysidro School District held a public hearing on September 12, 2024, determining sufficiency of instructional materials at all schools within the district. All schools were found to have sufficient and good-quality textbooks, instructional materials or science lab equipment pursuant to the settlement of Williams v. the State of California.

Students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. All teachers review materials approved for use by the state, and a recommendation is made to the board of trustees by a selection committee composed of teachers and administrators.

## Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## Parental Involvement

Parent involvement is important at San Ysidro Middle School. Parents are encouraged to volunteer in classrooms, as well as help with schoolwide programs and events. Parents can also participate in the School Site Advisory Committee (SSC) and in the English Learner Advisory Committee (ELAC). Parents are also invited to regular information meetings hosted by the principal. We currently have monthly seminars for parents that focus on but are not limited to socio-emotional growth, high school graduation requirements, postsecondary planning, A-G completion, University Pathways, Free Application for Federal Student Aid (FAFSA) and much more.

We currently have active parent engagement in the following school and districtwide committees: ELAC, District English Learner Advisory Committee (DELAC), School Site Council (SSC) and parent workshops. San Ysidro Middle School actively engages our parents through direct collaboration with our District Parent Center by inviting all district parents to our monthly seminars.

San Ysidro Middle School strives to have frequent communication with students and families. The school utilizes several internet-based programs, including Social Media, Synergy, Blackboard and Peachjar. Students and parents use Synergy to view academic progress, see attendance and communicate with teachers. Blackboard allows the school to send automated phone calls, emails and text messages to families. The school also has a website that houses a school calendar, important school policies and guidelines, information about curriculum, resources for families, and more.

Parents who wish to participate in San Ysidro Middle School's school committees, school activities or become volunteers may contact Principal Mairén Ruiz at (619) 428-5551, or Maria Gomez, administrative secretary at (619) 428-5551 Ext. 3298.

## School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status		2024-25 School Year
Items Inspected		Repair Status
<b>Systems:</b> Gas leaks, sewer, mechanical systems (heating, ventilation and HVAC)		Good
<b>Interior:</b> Interior surfaces (floors, ceilings, walls and window casings)		Fair

<b>Date of the most recent FIT report</b>		8/15/2024

## Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed. For all items inspected that were found to not be in "good repair," a work-order has been created and maintenance will be done before the end of the 2024-25 school year. Maintenance items will be prioritized so that student safety is not compromised.

Deficiencies and Repairs		2024-25 School Year
Items Inspected	Deficiencies and Action Taken or Planned

## School Facilities

San Ysidro Middle School provides a safe, clean environment for students, staff and volunteers. Originally built in 1978, the school was expanded in 1982 and again in 1997. Facilities encompass more than 95,000 square feet and include 38 permanent classrooms, administrative offices, a library, computer labs, a lunch court and gymnasium. Classrooms, restrooms and campus grounds are kept clean and safe.

The safety of our students and staff is our primary concern. All visitors must sign in at the front office and wear identification tags while on school grounds. School staff and administrators are on duty during nutrition breaks, lunch, and before and after school to ensure the safety of all our students.

The school's disaster-preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year.

### Cleaning Process

The District Governing Board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with a custodian to develop sanitation schedules that ensure a clean, safe and functional learning environment.

### Maintenance and Repair

A scheduled maintenance program is administered by San Ysidro Middle School's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by San Ysidro School District to ensure school grounds and facilities remain in excellent repair. A work-order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

## Teacher Preparation and Placement

These tables display the number and percent of teacher authorization/assignment as well as the total number and percent of teaching positions at the school, district and state levels. For questions concerning the assignment of teachers outside their subject area of competence or the credential status of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsupdf/flash201.asp>.

## Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1.

All data accurate as of December 2024.
