Sunset Lions ROAR: Respect Others, Act Responsibly

Principal's Message

Welcome to Sunset Elementary – Home of the Lions!

At Sunset Elementary, we believe every day is a chance to grow, inspire, and achieve, and I am beyond thrilled to serve as the principal of this incredible school. It is both a privilege and an honor to lead such a passionate community where every individual—from our talented staff to our enthusiastic students and supportive families—plays a vital role in our shared success.

As we step into the 2024-25 school year, our journey together will focus on academic excellence and whole-student development. By aligning our curriculum with the California State Standards, we will ensure that each child receives the highest quality education, tailored to their unique strengths and needs. But our mission goes beyond academics. We are dedicated to fostering a learning environment where students feel safe, supported, and inspired to become the best versions of themselves.

The Sunset Elementary family is built on strong partnerships between school, home, and the broader community. Together, we are committed to nurturing a culture of respect, kindness, and perseverance. I am excited to collaborate with you all to make this school year not only productive but unforgettable.

Thank you for being part of this amazing journey. Let's continue to make Sunset Elementary a place where Lions ROAR with pride!

With gratitude and enthusiasm,

Matthew Bandy

Interim Principal, Sunset Elementary

It's a great day to be a Lion!

School Mission Statement

Sunset Elementary School: "A tradition of academic excellence"

Our mission is to provide equity and excellence in academic achievement for all students and prepare them for a promising future. Parents, teachers, and students will work together in a safe and caring learning environment to ensure the socio-emotional and academic success of all students.

School Vision Statement

All students learn self-respect, social responsibility, and a global perspective.

Enrollment by Student Group

The total enrollment at the school was 522 students for the 2023-24 school year. The pie chart displays the percentage of students enrolled in each group.

Class Size Distribution

The bar graphs display the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Professional Development

All curriculum and instructional improvement activities at San Ysidro School District are aligned to the California Common Core State Standards and frameworks. The district professional-development program provides opportunities for teachers and support staff to implement the district's core curriculum for all students, update subject-area expertise, use data to plan instructional improvement strategies and acquire new instructional strategies for use in the classroom. Additionally, teachers and support staff have the opportunity to participate in conferences, districtwide professional development throughout the year focusing on Common Core State Standards implementation and specific training to support English language learners and students with special needs.

At the site level each year, targeted professional-improvement activities are provided for teachers and support staff that reflect the specific school goals and objectives reflected in the school site plan such as: Professional Learning Community (PLC); Grade Level Collaborations as well as various conferences and workshops, such as Association of California School Administrators (ACSA) Leadership Summit, Project GLAD training, AVID Institutes, CAFE Summer Institute, CAFE Dual Language Teacher Academy, Universal Design for Learning Sessions, WRITE Foundations Trainings, Middle School Math Trainings from San Diego County Office of Education, TK-2 Math Training Sessions from Emily Stewart, as well as training sessions for the newly adopted instructional materials (Twig Science, and Savvas, CA History Social Science myWorld Interactive).

California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students participating in each of the five fitness components for the most recent testing period. For more detailed information on the California PFT, please visit www.cde.ca.gov/ta/tg/pf.

- Special Education: State Mental Health Services
- Special Education: Early Intervention Preschool Grant
- After School Education and Safety (ASES) programs

Statewide Assessments

Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade 10, 11 or 12).

CAASPP Test Results in Science for All Students

The table below shows the percent of students meeting or exceeding the State standard on the CAASPP—California Science Test (CAST) and the California Alternate Assessment for Science (CAA for Science) for grades 5, 8 and once in high school (i.e., grade 10, 11 or 12).

CAASPP by Student Group: Science, English Language Arts and Mathematics

The tables on the following pages display the percentage of students that met or exceeded state standards in science, English language arts/literacy and mathematics for the school by student groups.

The “percentage met or exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Textbooks and Instructional Materials

San Ysidro School District held a public hearing on September 12, 2024, determining sufficiency of instructional materials at all schools within the district. All schools were found to have sufficient and good-quality textbooks, instructional materials or science lab equipment pursuant to the settlement of Williams v. the State of California.

Students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. All teachers review materials approved for use by the state, and a recommendation is made to the board of trustees by a selection committee composed of teachers and administrators.

Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

Parental Involvement

Sunset Elementary School promotes active parent involvement and engagement, as it acknowledges the value of parents participating in their students' education. Parents assist the school by volunteering in classrooms and participating in the Parent Teacher Association, School Site Council, English Learner Advisory Committee and District Advisory Committee. Parents also attend monthly parent meetings with the principal, parent workshops and parenting classes.

We encourage parents to become involved in school activities and programs in order to increase the academic success of their child. For more information on how to become involved, please contact Outreach Consultant Rodrigo Amezcua at (619) 428-1148 ext. 3684.

School Facility Good Repair Status

The table shows the results of the school's most recent inspection using the Facility Inspection Tool (FIT) or equivalent school form. This inspection determines the school facility's good repair status using ratings of good condition, fair condition or poor condition. The overall summary of facility conditions uses ratings of exemplary, good, fair or poor.

School Facility Good Repair Status		2024-25 School Year
Items Inspected		Repair Status

Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed. For all items inspected that were found to not be in "good repair," a work-order has been created and maintenance will be done before the end of the 2024-25 school year. Maintenance items will be prioritized so that student safety is not compromised.

Deficiencies and Repairs		2024-25 School Year
Items Inspected	Deficiencies and Action Taken or Planned	
Electrical	Appliances shall be plugged directly into electrical outlets; Room 23: Lights burned out.	
Safety	Deficiency not listen.	

School Safety

The district developed a Comprehensive School Safety Plan in order to comply with Senate Bill 187 of 1997. The plan provides students and staff means to ensure a safe and orderly learning environment. Key elements of the Comprehensive School Safety Plan include child-abuse reporting procedures, teacher notification of dangerous-pupils procedures, disaster-response procedures, procedures for safe entering to and exiting from school, sexual harassment policy, suspension and expulsion policies, dress code and discipline policies.

Sunset Elementary School places strong emphasis on safety for students and staff. Emergency plans are reviewed frequently. Annual training procedures and drills for earthquakes, fires, intruders and bus evacuations are held according to district requirements. Maintenance staff works with a scheduled preventive program to offset costly repairs. Staff models and reviews safe behaviors and practices with the students regularly. The school safety plan was last reviewed, updated and discussed with the school faculty in November 2024.

School Facilities

Sunset Elementary School was built in 2004 and provides a safe, clean environment for students, staff and volunteers. It houses 32 permanent classrooms, two computer labs, a library, a multipurpose room and administrative offices, encompassing a total of 71,977 square feet. The playground consists of black top and turf field for students' recess and lunch time play activities.

The safety of students and staff is a primary concern. All visitors must sign in at the front office and wear identification tags while on school grounds. School staff and administrators are on duty during recess, lunch, and before and after school to ensure the safety of all students. The school's disaster-preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year. The school currently employs part-time campus security that assist with student safety before, during and after school.

Cleaning Process

The District Governing Board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with custodians to develop sanitation schedules that maintain a clean, safe and functional learning environment. There are three custodians currently assigned to the school.

Maintenance and Repair

A scheduled maintenance program is administered by Sunset Elementary School's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, San Ysidro School District administers a scheduled maintenance program to ensure school grounds and facilities remain in excellent repair. A work-order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received. At the time of publication, 100% of toilets on campus were in good working order.

Teacher Preparation and Placement

These tables display the number and percent of teacher authorization/assignment as well as the total number and percent of teaching positions at the school, district and state levels. For questions concerning the assignment of teachers outside their subject area of competence or the credential status of teachers, visit the California Commission on Teacher Credentialing website at <https://www.ctc.ca.gov/>.

Note: The data in these tables is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The data source is the California State Assignment Accountability System (CalSAAS) provided by the Commission on Teacher Credentialing. For information on the CalSAAS, visit the CALPADS web page at <https://www.cde.ca.gov/ds/sp/cl/calpadsupdf/flash201.asp>.

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1.

All data accurate as of December 2024.
