## Principal's Message

Willow Elementary School is one of seven elementary and middle schools within the San Ysidro School District bordering with Tijuana, Mexico. For the academic year 2017-18, Willow Elementary School served Transitional Kindergarten (TK) through sixth-grade students. Willow School will continue to serve TK through 6th grade students for the academic year 2018-19. Following our school's mission, staff members will empower learning through technology and utilize technological tools that provide equitable access and support and enhance integrated curricular objectives.

At Willow Elementary School, we strive to enrich all students by providing extracurricular programs that support and enhance the learning experience. Some of the activities offered are: after-school sports, Girls Scouts program, YMCA Before & After School Program, and educational field trips. The success of all extra-curricular programs is supported by the commitment from teachers, staff, parent volunteers and community stakeholders.

## School Mission Statement

The mission of Willow Elementary School is to empower learning through technology and utilize technological tools that provide equitable access and support and enhance integrated curricular objectives. The staff will provide enriched technological experiences that prepare students for a rapidly changing global technological society.

## School Vision Statement

A vision of Learning Through Technology.

## Parental Involvement

Parents assist the school by volunteering in classrooms and participating in the Parent-Teacher-Student Association (PTA). Parents are also elected and participate in the School Site Council (SSC) on a regular basis. Parents of English language learners are invited to attend and participate at the regular English Learner Advisory Committee (ELAC).

Parents who wish to participate on Willow Elementary School's leadership teams, school committees and in-school activities, or become volunteers may contact the school administrative assistant, Mrs. Maria Gomez at (619) 428-2231, extension 3797.

## School Safety

The district developed a Comprehensive School Safety Plan in order to comply with Senate Bill 187 of 1997. The plan provides students and staff means to ensure a safe and orderly learning environment. Key elements of the Comprehensive School Safety Plan include child-abuse reporting procedures, teacher notification of dangerous-pupils procedures, disaster-response procedures, procedures for safe entering to and exiting from school, sexual harassment policy, suspension and expulsion policies, dress code, and discipline policies.

Willow Elementary School is focused on providing a positive, safe and secure learning environment for students, staff, parents and the community. The site's comprehensive Safe School Plan addresses safety concerns. Annual drills for earthquakes, fires, lockdowns and bus evacuations are held to meet district requirements. The goals and objectives of our school are to support a learning environment that allows staff to effectively teach and students to actively learn. In addition, we focus on character building through Willow School Positive Behavior Interventions and Supports (PBIS). Furthermore, we analyze our school's physical, social and cultural environments. The site Safe School Plan is updated annually.

The site Emergency Operations Plan (EOP) includes routine and emergency disaster information. The EOP aligns site emergency operations procedures with the District Emergency Operations Plan.

The school safety plan was last reviewed, updated and discussed with the school faculty in February 2019.

## School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

## District Mission Statement

The San Ysidro School District, in partnership with our teachers and community, is committed to providing a high-quality, multicultural learning environment that promotes academic excellence, social responsibility, and physical and emotional well-being for all students.

The mission of the San Ysidro School District:

*Quality education and opportunity for all students to succeed.*

### Enrollment by Student Group

The total enrollment at the school was 789 students for the 2017-18 school year. The pie chart displays the percentage of students enrolled in each group.

### Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2017-18 school year.

### Class Size Distribution

The bar graphs display the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

### Suspensions and Expulsions

This table shows the school, district, and state suspension and expulsion rates for the most recent three-year period. Note: Students are only counted one time, regardless of the number of suspensions.

## Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

\* For the 2015-16 and 2016-17 school years, Willow Elementary School served students in grades K-8.

## CAASPP Test Results for All Students: Science (grades 5, 8 and 10)

The 2016–17 and 2017–18 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

## California Assessment of Student Performance and Progress (CAASPP)

For the 2017-18 school year, the CAASPP consists of several key components, including:

**California Alternate Assessments (CAA)** test includes both ELA/literacy and mathematics in grades 3-8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

**Smarter Balanced Assessments** include ELA/literacy and mathematics in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit [www.cde.ca.gov/ta/tg/ca](http://www.cde.ca.gov/ta/tg/ca).

## CAASPP by Student Group: English Language Arts/Literacy and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 3-6.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit [www.cde.ca.gov/ta/tg/pf](http://www.cde.ca.gov/ta/tg/pf).

## Textbooks and Instructional Materials

San Ysidro School District held a public hearing on September 13, 2018, determining sufficiency of instructional materials at all schools in the district. All schools were found to have sufficient and good-quality textbooks, instructional materials or science lab equipment pursuant to the settlement of Williams v. the State of California.

Students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. All teachers review materials approved for use by the state, and a recommendation is made to the board of trustees by a selection committee composed of teachers and administrators.

Textbooks and Instructional Materials List		2018-19 School Year

## School Facilities

Willow Elementary School provides a safe, clean environment for students, staff and volunteers. The present school building opened its doors in September 2009, and consists of 41 classrooms, a multipurpose room, library media center, computer lab and main office building.

The safety of the students and staff is Willow Elementary School's primary concern. All visitors must sign in at the front office and wear identification tags while on school grounds. All volunteers must submit a volunteer application and submit a tuberculosis clearance before they are approved.

Fire and disaster drills are conducted on a monthly basis throughout the school year.

### Cleaning Process

The District Governing Board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed on a daily basis throughout the school year, with emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with the custodial staff to develop sanitation schedules that ensure a clean, safe and functional learning environment.

### Maintenance and Repair

A scheduled maintenance program is administered by Willow's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by San Ysidro School District to ensure that school grounds and facilities remain in excellent repair. A work-order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

## Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed.

Deficiencies and Repairs		2018-19 School Year
Items Inspected	Deficiencies and Action Taken or Planned	Date of Action
<b>Systems</b>	Room 15 – Exhaust Vent Cover dirty; Room 3 – Water Heater leaking. Work placed order to repair deficiencies.	November 2018
<b>Interior</b>	ESL Room – Core Base loose north wall (base board); Room 5 – Damaged laminate on cabinet by fridge. Work placed order to repair deficiencies.	November 2018
<b>Restrooms/fountains</b>	Room 39 – Sink faucet, non-operable; Rooms 27 & 4 – Drinking fountain with low pressure; Room 1 – Toilet base loose. Work placed order to repair deficiencies.	November 2018
<b>Safety</b>	Library – Paint peeling by windows. Work placed order to repair deficiencies.	November 2018
<b>External</b>	MPR Girls restroom – Ornamental fencing pickets bent, vandalism. Work placed order to repair deficiencies.	November 2018

## Professional Development

All curriculum and instructional improvement activities at San Ysidro School District are aligned to the California Common Core State Standards and frameworks. The district professional-development program provides opportunities for teachers and support staff to implement the district's core curriculum for all students, update subject-area expertise, use data to plan instructional improvement strategies and acquire new instructional strategies for use in the classroom. Additionally, teachers and support staff have the opportunity to participate in conferences, districtwide professional development throughout the year focusing on Common Core State Standards implementation and specific training to support English language learners and students with special needs.

At the site level each year, targeted professional improvement activities are provided for teachers and support staff that reflect the specific school goals and objectives reflected in the school site plan such as: Professional Learning Community (PLC); Grade Level Collaboration; Data Reflection Sessions; teacher on special assignment (TOSA) coaching sessions as well as various conferences and workshops, such as the Math Conference, Lift Teacher Leader Training, Kagan Collaboratives, Project Lead The Way (PLTW), EdTechTeacher, NGSS Academies, CAASPP Institutes and AVID teacher training.

## Financial Data

The financial data displayed in this SARC is from the 2016-17 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at [www.cde.ca.gov/ds/fd/ec](http://www.cde.ca.gov/ds/fd/ec). For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at [www.cde.ca.gov/ds/fd/cs](http://www.cde.ca.gov/ds/fd/cs). To look up expenditures and salaries for a specific school district, see the Ed-Data website at [www.ed-data.org](http://www.ed-data.org).

## District Financial Data

## Expenditures Per Pupil

Supplemental/restricted expenditures come from money whose use is controlled by law or by a donor. Money that is designated for specific purposes by the district or governing board is not considered restricted. Basic/unrestricted expenditures are from money whose use, except for general guidelines, is not controlled by law or by a donor.

Data for this year's SARC was provided by the California Department of Education and school and district offices. For additional information on California schools and districts and comparisons of the school to the district, the county and the state, please visit DataQuest at <http://dq.cde.ca.gov/dataquest>. DataQuest is an online resource that provides reports for accountability, test data, enrollment, graduates, dropouts, course enrollments, staffing and data regarding English learners. Per Education Code Section 35256, each school district shall make hard copies of its annually updated report card available, upon request, on or before February 1.

All data accurate as of December 2018.
