## Principal's Message

Welcome to Smythe Elementary School!

Every school in California is required by state law to publish a School Accountability Report Card (SARC) each year. The SARC contains information about the condition and performance of each California public school. This report will provide you with valuable data about our school's achievements, resources, students and staff.

Smythe Elementary School provides a safe and nurturing environment. Students are actively engaged in learning foundational skills, constructing meaning, expressing themselves creatively, thinking critically, collaborating, communicating and acquiring positive social values. We value a multicultural education and see the beauty in diversity. We believe the best way to achieve success is to practice a growth mindset and to engage in continuous reflection toward improvement. Smythe Elementary School is committed to biliteracy, as evidenced by our 50/50 dual-language program in English and Spanish for grades K-3.

A dedicated team of professional educators and support staff provide students with a rigorous, California standards-based curriculum, and differentiate according to students' needs: 1. Increase academic achievement by 5 percent in all grade levels in reading and mathematics; 2. strengthen the positive school culture through the implementation of Positive Behavioral Interventions and Supports (PBIS) schoolwide; and 3. strengthen parent success through participation in Parent Teacher Association (PTA), English Learner Advisory Committee (ELAC), Social Site School (SSC), Coffee with the Principal forums, and other school volunteer opportunities. Our goal is to raise average daily attendance to 95%

In order to achieve our school goals, we will work closely with all stakeholders including students, parents, extended family members, community partners, businesses and district office staff.

We encourage all to visit us and become familiar with our wonderful Smythe community school!

## School Mission Statement

Our Smythe Elementary School learning community is committed to providing a safe and nurturing environment for students and adults that fosters excellence, respect, responsibility and a growth mindset. We are a welcoming school, which fosters empathy and compassion for all.

## School Vision Statement

Students will become lifelong learners who attain academic and social success while making positive choices. Smythe Elementary School is committed to building a strong partnership with our parents and the community.

## School Safety

The district developed a Comprehensive School Safety Plan in order to comply with Senate Bill 187 of 1997. The plan provides students and staff means to ensure a safe and orderly learning environment. Key elements of the Comprehensive School Safety Plan include child-abuse reporting procedures, teacher notification of dangerous-pupils procedures, disaster-response procedures, procedures for safe entering to and exiting from school, sexual harassment policy, suspension and expulsion policies, dress code, and discipline policies.

Smythe Elementary School places a strong emphasis on safety for students and staff. Emergency plans are reviewed frequently. Annual training procedures and drills for earthquakes, fires, intruders and bus evacuations are held according to district requirements. Maintenance staff members work with a scheduled preventive program to offset costly repairs. Our staff members model and review safe behaviors and practices with students regularly. We believe in the power of restorative justice practices and espouse the view that implementation of Positive Behavioral Interventions and Supports reduces the number of behavioral referrals and suspensions. The school safety plan was last reviewed, updated and discussed with the school faculty in February 2019.

## School Accountability Report Card

In accordance with state and federal requirements, the School Accountability Report Card (SARC) is put forth annually by all public schools as a tool for parents and interested parties to stay informed of the school's progress, test scores and achievements.

## District Mission Statement

The San Ysidro School District, in partnership with our teachers and community, is committed to providing a high-quality, multicultural learning environment that promotes academic excellence, social responsibility, and physical and emotional well-being for all students.

The mission of the San Ysidro School District:

*Quality education and opportunity for all students to succeed.*

## Enrollment by Student Group

The total enrollment at the school was 706 students for the 2017-18 school year. The pie chart displays the percentage of students enrolled in each group.

## Enrollment by Grade

The bar graph displays the total number of students enrolled in each grade for the 2017-18 school year.

## Parental Involvement

At Smythe, parents assist the school by volunteering in classrooms, the library, and participating in the School Site Council (SSC), English Learner Advisory Committee (ELAC), Coffee with the Principal, parent workshops, Parent Advisory Committee (PAC) and the Parent Teacher Association (PTA).

Smythe is very proud to provide monthly workshops for parents to help them better understand what their children are learning at school and how they can support them at home.

The PTA is an organization in which parent leaders support student-centered school programs, coordinate family-focused activities, as well as raise funds for Smythe community events.

Parents who wish to participate in Smythe Elementary School's leadership teams, school committees, school activities or become volunteers may contact school principal Russell Little (619) 428-4447.

## California Physical Fitness Test

Each spring, all students in grades 5, 7 and 9 are required to participate in the California Physical Fitness Test (PFT). The Fitnessgram is the designated PFT for students in California public schools put forth by the State Board of Education. The PFT measures six key fitness areas:

1. Aerobic Capacity
2. Body Composition
3. Flexibility
4. Abdominal Strength and Endurance
5. Upper Body Strength and Endurance
6. Trunk Extensor Strength and Flexibility

Encouraging and assisting students in establishing lifelong habits of regular physical activity is the primary goal of the Fitnessgram. The table shows the percentage of students meeting the fitness standards of being in the "healthy fitness zone" for the most recent testing period. For more detailed information on the California PFT, please visit [www.cde.ca.gov/ta/tg/pf](http://www.cde.ca.gov/ta/tg/pf).

## Class Size Distribution

The bar graphs display the three-year data for average class size, and the table displays the three-year data for the number of classrooms by size. The number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

### Average Class Size

Three-Year Data

## Public Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available at a workstation, and the ability to print documents.

## Types of Services Funded

San Ysidro School District received state and federal funding for the following categorical, special education and support programs:

### Federal funds

- Lottery: Unrestricted
- Education Protection Account
- No Child Left Behind (NCLB): Title I, Part A
- Special Ed: IDEA Basic Local Assistance Entitlement
- Special Ed: IDEA Preschool Grants, Part B, Sec 619
- Special Ed: IDEA Preschool Local Entitlement, Part B, Sec 611
- Special Ed: IDEA Mental Health Allocation Plan, Part B, Sec 611
- Special Ed: IDEA Preschool Staff Development, Part B, Sec 619
- NCLB: Title II, Part A, Teacher Quality
- NCLB: Title III, Immigrant Education Program
- NCLB: Title III, Limited English Proficiency (LEP) Student Program

### State funds

- Educator Effectiveness funds
- Lottery: Instructional Materials
- Special Education: Assembly Bill (AB) 602
- Special Ed: State Mental Health Services
- 21st Century Community Learning Centers (CCLC) and After School Education and Safety (ASES) programs

## CAASPP Test Results for All Students: Science (grades 5, 8 and 10)

The 2016–17 and 2017–18 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

## California Assessment of Student Performance and Progress (CAASPP)

For the 2017-18 school year, the CAASPP consists of several key components, including:

**California Alternate Assessments (CAA)** test includes both ELA/literacy and mathematics in grades 3-8 and 11. The CAA is given to those students with the most significant cognitive disabilities whose current individualized education program (IEP) designates an alternate assessment.

**Smarter Balanced Assessments** include ELA/literacy and mathematics in grades 3-8 and 11. Smarter Balanced Assessments are designed to measure student progress toward college and career readiness.

The assessments under CAASPP show how well students are doing in relation to the state-adopted content standards. On each of these assessments, student aggregate scores are reported as achievement standards. For more information on the CAASPP assessments, please visit [www.cde.ca.gov/ta/tg/ca](http://www.cde.ca.gov/ta/tg/ca).

## CAASPP by Student Group: English Language Arts/Literacy and Mathematics

The table on the following page displays the percentage of students that met or exceeded state standards in English language arts/literacy and mathematics for the school by student groups for grades 3-6.

The "percentage met or exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAA divided by the total number of students who participated in both assessments.

Note: The number of students tested includes all students who participated in the test whether they received a score or not. However, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## Textbooks and Instructional Materials

San Ysidro School District held a public hearing on September 13, 2018, determining sufficiency of instructional materials at all schools in the district. All schools were found to have sufficient and good-quality textbooks, instructional materials or science lab equipment pursuant to the settlement of Williams v. the State of California.

Students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. All teachers review materials approved for use by the state, and a recommendation is made to the board of trustees by a selection committee composed of teachers and administrators.

Textbooks and Instructional Materials List		2018-19 School Year

## School Facilities

*Continued from left*

The school's disaster-preparedness plan includes steps for ensuring student and staff safety during a disaster. Fire and disaster drills are conducted on a regular basis throughout the school year.

### Cleaning Process

The District Governing Board has adopted cleaning standards for all schools in the district. Basic cleaning operations are performed every other day throughout the school year with an emphasis on classrooms and restrooms. A joint effort between students and staff helps keep the campus clean and litter-free. The principal works daily with four custodians to develop sanitation schedules that ensure a clean, safe and functional learning environment.

### Maintenance and Repair

A scheduled maintenance program is administered by Smythe Elementary School's custodial staff on a regular basis, with heavy maintenance functions occurring during vacation periods. Additionally, a scheduled maintenance program is administered by San Ysidro School District to ensure school grounds and facilities remain in excellent working conditions. A work-order process is used when issues arise that require immediate attention. Emergency repairs are given the highest priority; repair requests are completed efficiently and in the order in which they are received.

### Smythe Modernization

Smythe went through a modernization during the months of June to August 2017. Classrooms, bathrooms, MPR, library, and offices were renovated. Smythe also received new furniture and computers. The landscaping and parking area is also new. A second phase of the modernization will include the playground and hallways.

## Deficiencies and Repairs

The table lists the repairs required for all deficiencies found during the site inspection. Regardless of each item's repair status, all deficiencies are listed.

Deficiencies and Repairs		2018-19 School Year
Items Inspected	Deficiencies and Action Taken or Planned	Date of Action
<b>Systems</b>	Teachers' Lounge - Sink is non-operational. Work order placed 10/2/2018.	10/9/2018
<b>Interior</b>	Library - Metal plates covering air vents are missing. Work order placed 10/2/2018.	10/9/2018
<b>Electrical</b>	Stage - Outlets on step are non-operational	10/9/2018
<b>Restrooms/fountains</b>	Cafeteria - Adjacent water fountain is non-operational. Work order placed 10/2/2018.	10/9/2018

## School Facilities

Smythe Elementary School provides a safe, clean environment for students, staff and volunteers. The nearly 50,000 square foot campus includes 32 permanent and four relocatable classrooms, a cafeteria, library and administrative offices. Originally constructed in 1971, several buildings were added or underwent modernization in 1991, and in 2000, the entire campus underwent complete modernization. The modernized campus includes 36 classrooms, a cafeteria/auditorium, and administrative offices. In addition, the school has a new fence, playground equipment, and every classroom is equipped with SMART Boards, document cameras, DVD and VCR players, and multimedia projectors.

Smythe Elementary School's primary concern is the safety of students and staff. All visitors must sign in at the front office and wear identification tags while on school grounds. School staff and administrators are on duty during recess, lunch, and before and after school to ensure the safety of all our students.

## Professional Development

All curriculum and instructional improvement activities at San Ysidro School District are aligned to the California Common Core State Standards and frameworks. The district professional-development program provides opportunities for teachers and support staff to implement the district's core curriculum for all students, update subject-area expertise, use data to plan instructional improvement strategies and acquire new instructional strategies for use in the classroom. Additionally, teachers and support staff have the opportunity to participate in conferences, districtwide professional development throughout the year focusing on Common Core State Standards implementation and specific training to support English language learners and students with special needs.

At the site level each year, targeted professional improvement activities are provided for teachers and support staff that reflect the specific school goals and objectives reflected in the school site plan such as: Professional Learning Community (PLC); Grade Level Collaboration; Data Reflection Sessions; teacher on special assignment (TOSA) coaching sessions as well as various conferences and workshops, such as the Math Conference, Lift Teacher Leader Training, Kagan Collaboratives, Project Lead The Way (PLTW), EdTechTeacher, NGSS Academies, CAASPP Institutes and AVID teacher training.

## Financial Data

The financial data displayed in this SARC is from the 2016-17 fiscal year. The most current fiscal information available provided by the state is always two years behind the current school year and one year behind most other data included in this report. For detailed information on school expenditures for all districts in California, see the California Department of Education (CDE) Current Expense of Education & Per-pupil Spending web page at [www.cde.ca.gov/ds/fd/ec](http://www.cde.ca.gov/ds/fd/ec). For information on teacher salaries for all districts in California, see the CDE Certificated Salaries & Benefits web page at [www.cde.ca.gov/ds/fd/cs](http://www.cde.ca.gov/ds/fd/cs). To look up expenditures and salaries for a specific school district, see the Ed-Data website at [www.ed-data.org](http://www.ed-data.org).

## District Financial Data

This table displays district teacher and administrative salary information and compares the figures to the state averages for districts of the same type and size based on the salary schedule. Note: The district salary data does not include benefits.
