#### SCHOLASTIC BOOK FAIR AT SMYTHE ELEMENTARY SCHOOL

Thanks to the Scripps Howard Foundation and KGTV, Smythe Elementary School students were able to participate in the Annual Scholastic Book Fair! Students had a chance to pick a total of 5 books to take home! The goal is to empower young student readers and promote literacy, as 98% of students will read books that they choose on their own!

Thank you to Interim Principal Manuela Colom, Instructional Media Resource Aide Monica Perez, and our wonderful Smythe teachers for all their dedication and support to our amazing students during this event.

### **2025-2026 GOVERNOR'S BUDGET WORKSHOP**

The San Ysidro School District team attended the School Services of California Governor's Budget Workshop on January 22, 2025. The School Services of California Inc.'s Governor's Budget Workshop offered K-12 and community college leaders an essential overview of Governor Gavin Newsom's proposed 2025-26 State Budget. Amid efforts to address a \$55 billion deficit, the workshop provided insights into state revenue performance, surplus allocation, and the potential local impact of the Governor's education funding priorities.

A special thanks to the District team members who attended to learn the details of the California state budget and its impact on our district's budget: Board President Zenaida Rosario, Chief Business Official Marilyn Adrianzen, SYEA President Katina De Leon, CSEA President Fidel Castro, and Business Services Technician Amber Sances. The District team had an opportunity to meet School Services of California Vice President Brianna Garcia and Director of Governmental Relations Megan Bair.
