QUALITY EDUCATION AND OPPORTUNITY FOR ALL STUDENTS TO SUCCEED

### District Highlights

Week of October 23, 2020

### **SUPERINTENDENT**

Gina Potter, Ed.D.

#### **SYSD BRIDGES THE DIGITAL DIVIDE!!!**

San Ysidro School District has successfully closed the digital divide for all of our students! Every student who needed a device and/or internet access now has the technology to actively participate in our Distance Learning Academy. Thanks to the hard work of our technology team and staff at each of our schools we distributed 3705 Chromebooks to students who needed a device to equitably participate in our online instructional programs. Our administration and staff worked tirelessly and diligently to ensure that every student in our district is technologically equipped with a Chromebook and internet access to continue their education through distance learning.

We are very proud of our students for working hard to login to their classes everyday as our districtwide average daily attendance with our Distance Learning Academy this year has been 94%! Fantastic job students!!! Our San Ysidro School District family has truly embraced the humanitarian cause of working “TOGETHER” or “JUNTOS” to ensure our students, their families and our community make it through this COVID pandemic.

#### **CONGRATULATIONS STUDENTS FOR ACHIEVING 94% ATTENDANCE IN OUR DISTANCE LEARNING ACADEMY!**

Our district is so proud of our students for attending school everyday online! Currently, our year-to-date district-wide attendance average is 94.42%. SYSD is dedicated to the entire well being of our students by considering all possible situations that may lead to an absence. If a student is marked as absent, an automated call is made to their registered phone number. If a student’s attendance continues to diminish, dedicated staff from the school site reach out to families to inquire about the accumulated absences. SYSD has established a protocol to re-engage students and families. In our effort to re-engage a family, we offer district services and may refer families to community based organizations which offer additional services.

## **BOARD MEMBER VISIT OF THE LA MIRADA CAMPUS**

On Thursday, October 22nd Governing Board President, Humberto Gurmilan, Board Vice President, Antonio Martinez, and Board Member, Irene Lopez, toured La Mirada Elementary to get a first hand look at all the safety measures that have been implemented in anticipation of having students and teachers back on campus in January. As the district prepares for our Blended Learning phase of the Instructional Program, we are making sure all our schools are safe, secure and ready to have students and teachers safely back in the classrooms.

The guide for the tour was Mr. Paulo Azevedo, Director of Maintenance, Operations, Transportation & Facilities, whose team was responsible for all the safety measures implemented and installed in schools throughout our district. Joining the tour were Superintendent, Dr. Gina Potter, Assistant Superintendent, Dr. David Farkas, Chief Business Official, Marilyn Adrianzen, La Mirada Principal, Mrs. Laura English and Coordinator, Public Relations & Community Services, Francisco Mata. The tour also included a first time look at the 2 new mini soccer pitches on La Mirada's playground. A soccer match almost took place among the tour participants!!

## **LONG RANGE MASTER FACILITY PLAN (LRMFP) - VIRTUAL TOWN HALLS AS SPECIAL BOARD MEETINGS**

The district hosted its second Virtual Town Hall on Tuesday, October 6th and focused on Willow, Sunset & Beyer facility needs. These meetings are scheduled to gather input from parents, staff and the community which will assist us in the development of the Long Range Master Facility Plan. These meetings will be conducted as special board

meetings in the event we reach a quorum. To view October 1st and October 6th meetings please click on links below:

## **EDUCATIONAL LEADERSHIP, PUPIL SERVICES AND SAFETY**

### **COVID-19 TESTING FOR SCHOOL STAFF**

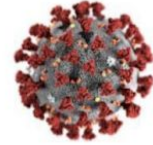

As our district moves into phase two of our reopening plan, we would like to share with you the progress being made in COVID-19 testing for school staff. Thanks to the County of San Diego and San Diego County Office of Education, our district staff will be able to be tested for COVID-19 safely, and at no cost. On October 1st, testing sites were opened for school district employees throughout the county. These sites aim to produce results sooner than 48 hours after an individual is tested. This is helpful as it supports our number one priority of keeping all SYSD schools and facilities safe. All district employees working onsite shall test for COVID-19 every other month. All school districts countywide now have access to these COVID school personnel testing locations.

## EDUCATIONAL SERVICES

### INSTRUCTIONAL PROGRAM PHASE III PLANNING

In preparation for the launch of Phase III in January, school sites continue to reach out to families who have not yet completed their Family Survey #3 communicating their choice for distance and blended learning. We will be sending a letter to families who have still not responded to the Family Survey #3 and the multiple attempts to contact them to record their preference for Distance or Blended Learning to let them know that by default they will be placed in the Distance Learning Academy if no survey response is submitted by Friday, November 6th.

As we launch phase III in the middle of the 2nd Trimester, we have surveyed families, principals, and teachers to determine if the preference is to make class changes on November 30th or in January at the launch of Phase III. The preliminary survey data shows a preference for the January change, with 78% of families, 72% of teachers, and 100% of principals indicating that January would be the best time for the change.

### GOOGLE MEETS NEW FEATURES: BLUR BACKGROUND & QUICK ACCESS FEATURES

Google has added a new feature to Google Meets which allows all participants in a Google Meets meeting to blur their background. This feature allows teachers and students to maintain privacy by blurring their background during meetings. As we continue to encourage students to turn their cameras on so that students can monitor student engagement and understanding, we hope that this will help with privacy concerns. Additionally, there are some additional features that support increased security that have been added, which include control of Chat and Waiting Rooms within Google Meets. Please see the instructions for these new features linked [HERE](#).

### SUPPORT FOR DIGITAL PLATFORMS

As we make our way through the school year, we have continued to provide support for teachers and families with various aspects of navigating our digital platforms.

Parents can access support pages for Google Classroom on our website Student Tab>Google Classroom Support which will link them to this page: <https://www.sysdschools.org/domain/760>, which contains job aides and cover a variety of topics including how to submit work in Google Classroom.

Additionally, we have begun to use Illuminate to deliver our District Common Assessments in English Language Arts and Math. Teachers were provided with job aides for administering the assessments ahead of the launch of these assessments, which are linked [HERE](#).

Based on feedback and the need for additional support for families, we developed job aides geared to support parents who may be helping their students login to the testing platform from home, which are linked [HERE](#) and are in the process of being added to the website for easier access.
