### RED RIBBON WEEK

This year's theme was Be Happy. Be Brave. Be Drug Free. Red Ribbon week began "virtually" on Friday October 23rd and was celebrated in many of our schools. Red Ribbon Week's theme helped reinforce the campaign's mission, which is "to encourage children, families and communities to live healthy, happy and drug-free lives. It also serves as a reminder that we are all empowered with shaping the communities around us through positivity, bravery and strength." SYSD students fully embraced the event and it's theme by participating and enjoying each day's activities virtually!

## **SAN YSIDRO WOMEN'S CLUB STUDENT SCHOLARSHIP PROGRAM PARTNERSHIP**

On Thursday, October 29th SYSD administrators, Superintendent Dr. Gina Potter, Assistant Superintendent Dr. David Farkas and Coordinator of Public Relations & Community Services Francisco Mata, met with representatives of the San Ysidro Women's Club to discuss and initiate a partnership with our District to help with their annual Scholarship and Incentive Awards event. The annual event, which is celebrating its 20th anniversary, provides \$500 scholarships to San Ysidro High School Seniors and a \$100 incentive award to San Ysidro School District 8th graders. At the end of the 2019-20 school year 23 deserving SYHS seniors each received a \$500 scholarship and 26 SYSD 8th graders received a brand new, crisp \$100 dollar bill as an Incentive Award to help with their transition to high school.

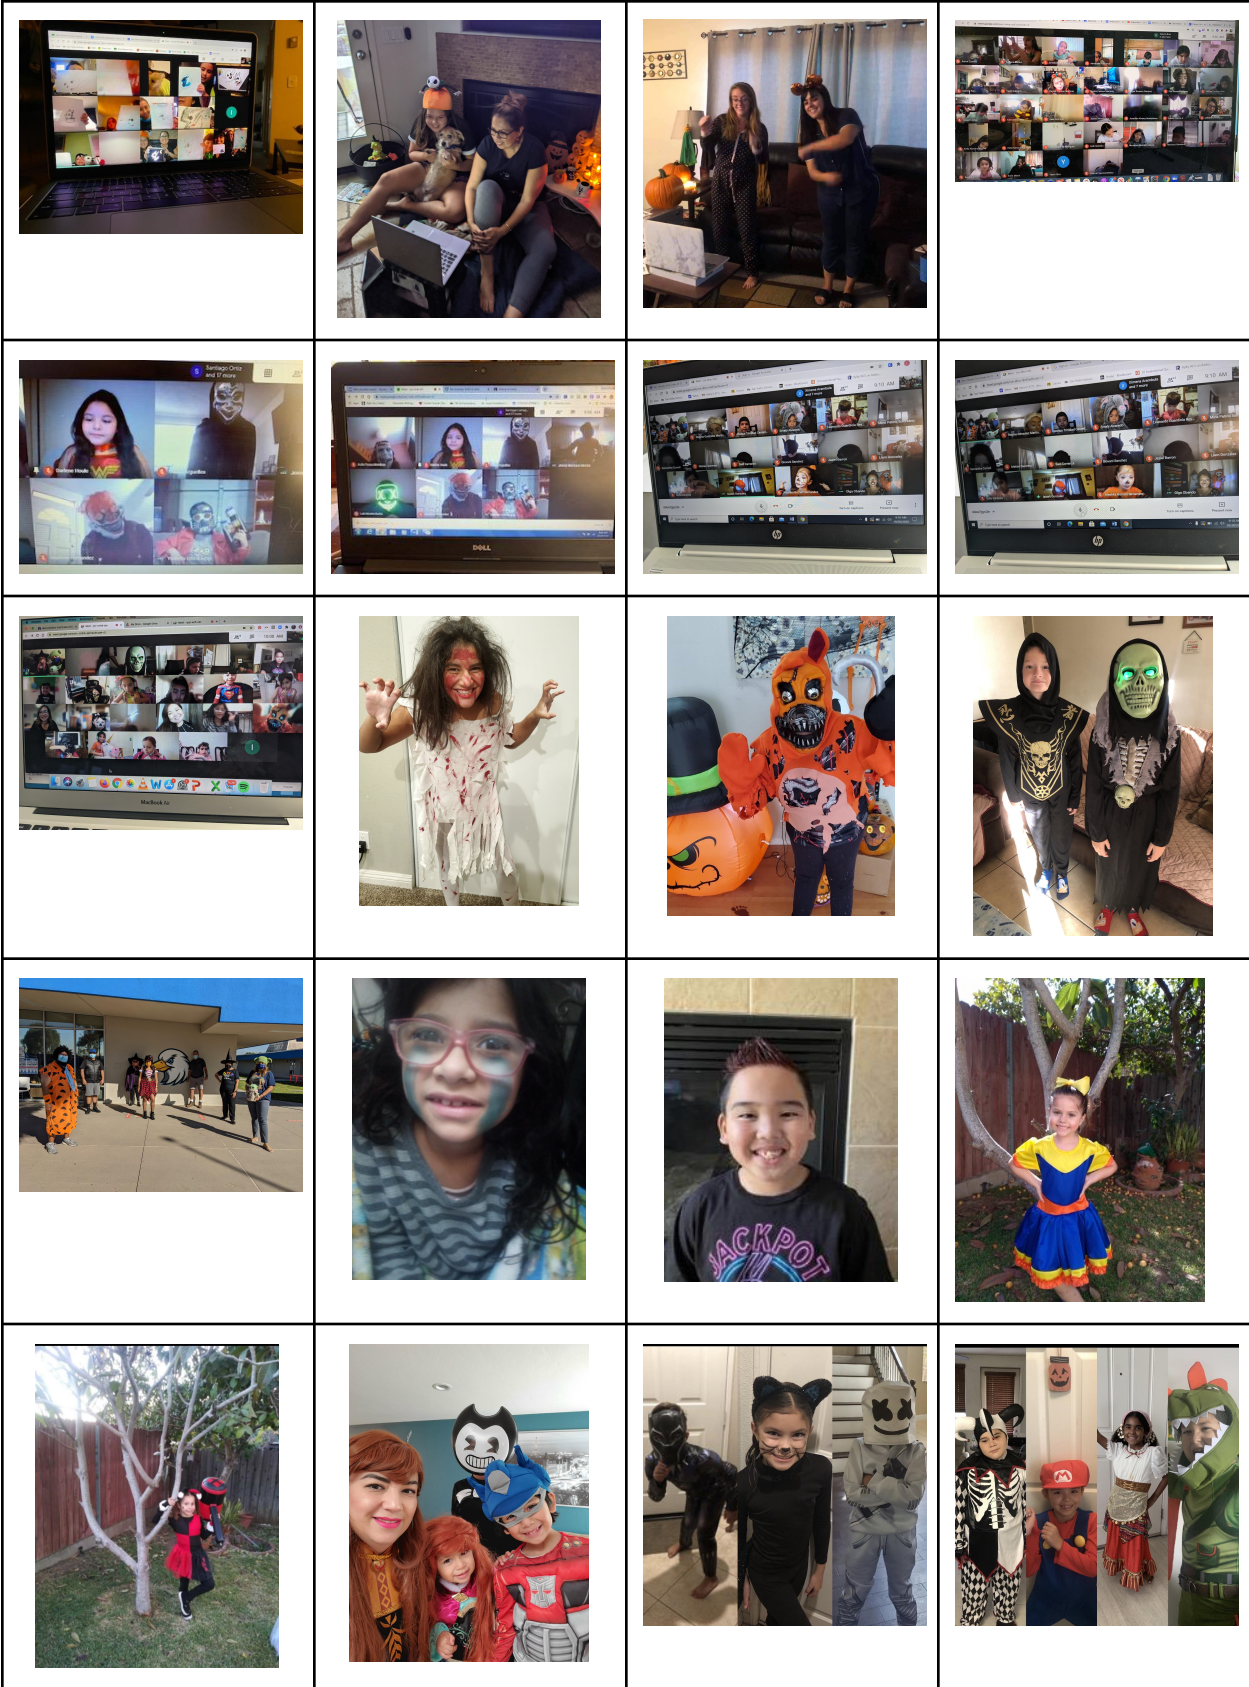

The representatives from the San Ysidro Women's Club included City Council Member Vivian Moreno and her assistant Christopher Gris, Alice De La Torre, Martha Jacobo and Magdalena Pulham. A big heartfelt "thank you" to the San Ysidro Women's Club for their dedication, commitment and their relentless pursuit of ensuring the success of our students and future leaders of San Ysidro.

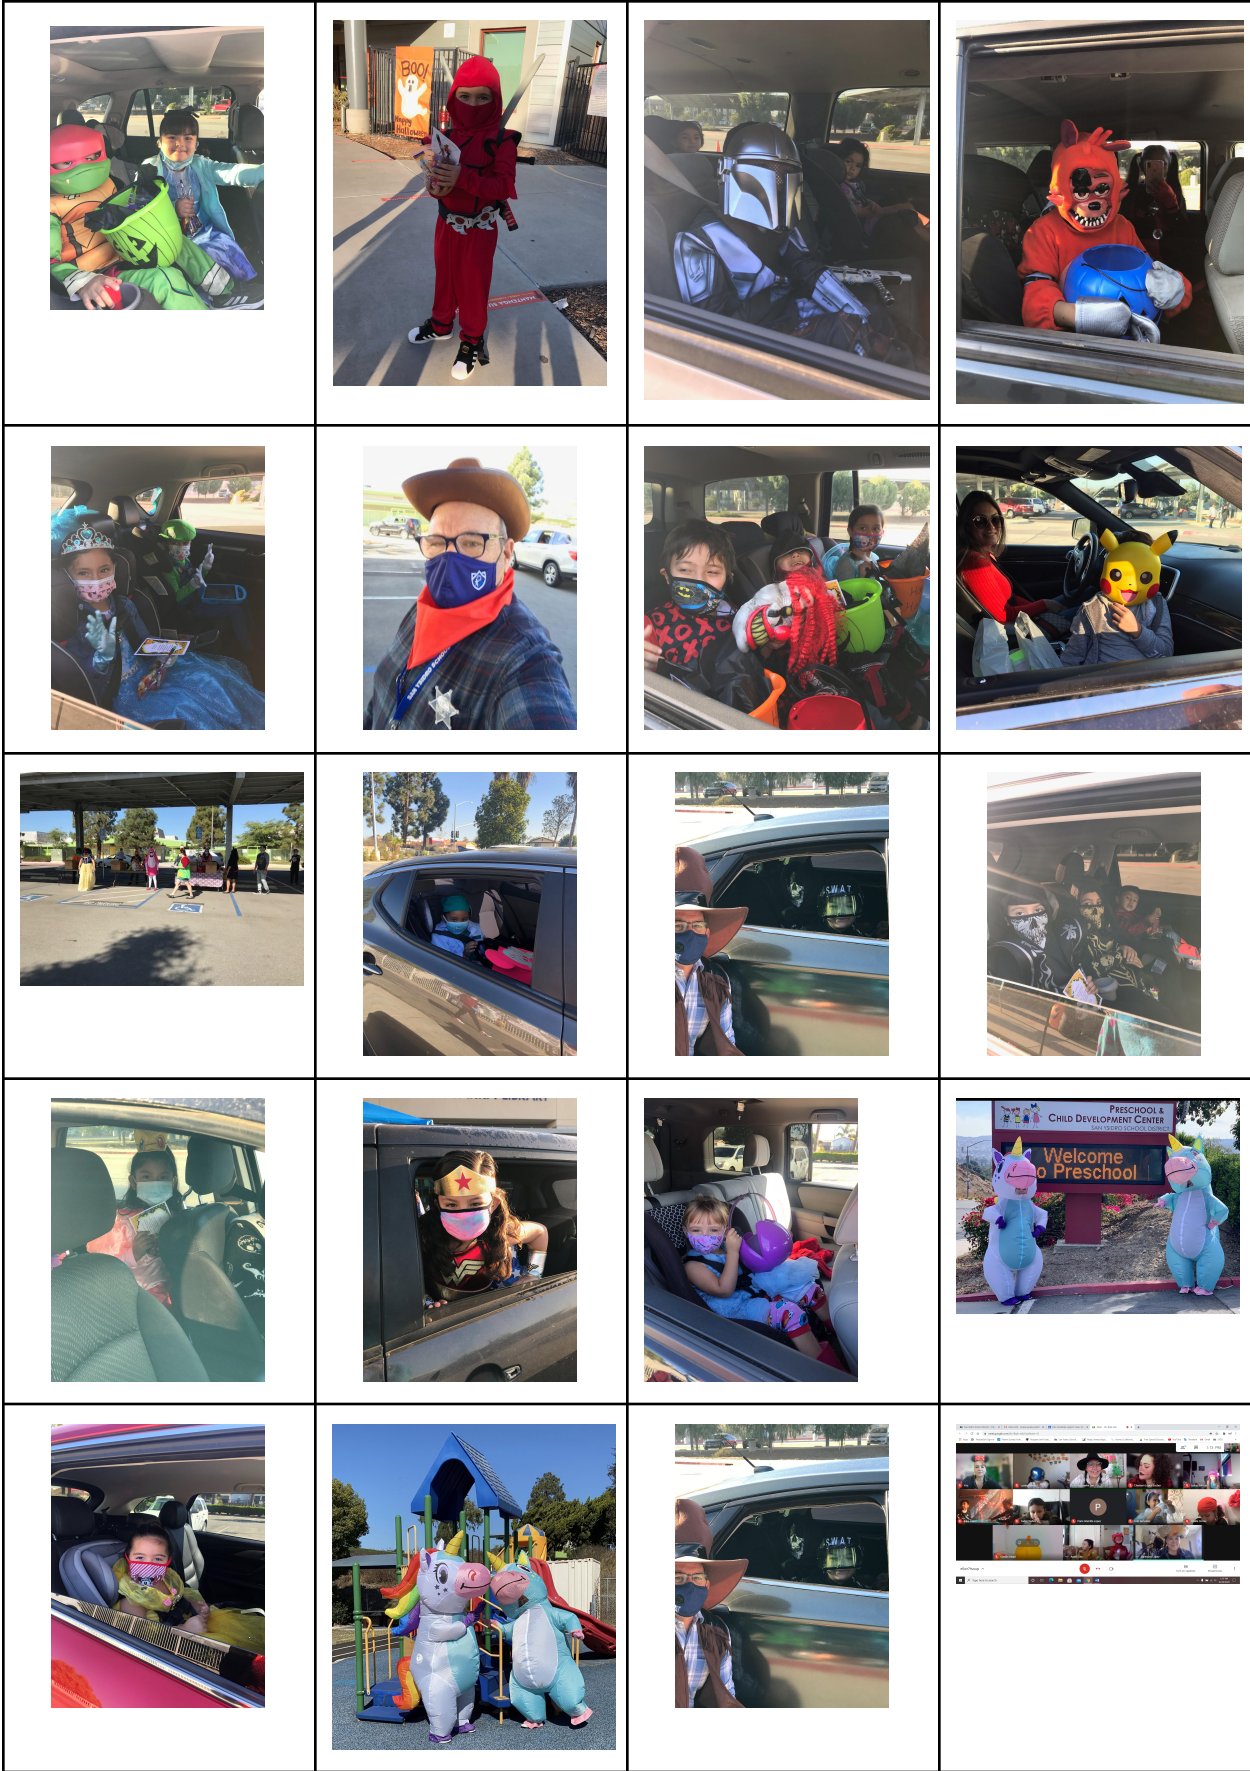

## **HAPPY HALLOWEEN SCHOOL EVENTS**

Virtual Halloween celebrations were abundant at many of our schools on Friday, October 30th. While this pandemic may prevent our children from going door-to-door and trick or treating, it didn't stop them from dressing up in their costumes and participating virtually with their classmates. Teachers, principals and staff also got in on the fun by dressing up and joining the festivities! We hope you enjoyed a fun and safe Halloween!

**EDUCATIONAL LEADERSHIP,  
PUPIL SERVICES AND SAFETY**

**COVID-19 TESTING FOR SCHOOL STAFF**

As our district moves into phase two of our reopening plan, we would like to share with you the progress being made in COVID-19 testing for school staff. Thanks to the County of San Diego and San Diego County Office of Education, our district staff will be able to be tested for COVID-19 safely, and at no cost. As of October 1st, testing sites were opened for school district employees throughout the county. These sites aim to produce results sooner than 48 hours after an individual is tested. This is helpful as it supports our number one priority of keeping all SYSD schools and facilities safe. All district employees working onsite shall test for COVID-19 every other month. All school districts

countywide now have access to these COVID school personnel testing locations. This past week our SYSD managers tested for COVID-19. Our new SYSD testing process is working well and has been well received by everyone.

## EDUCATIONAL SERVICES

### INSTRUCTIONAL PROGRAM PHASE III PLANNING

In preparation for the launch of Phase III in January, school sites continue to reach out to families who have not yet completed their Family Survey #3 communicating their choice for distance and blended learning. We will be sending a letter to families who have still not responded to the Family Survey #3 and the multiple attempts to contact them to record their preference for Distance or Blended Learning to let them know that by default they will be placed in the Distance Learning Academy if no survey response is submitted by Friday, November 6th.

As we launch phase III in the middle of the 2nd Trimester, we have surveyed families, principals, and teachers to determine if the preference is to make class changes on November 30th or in January at the launch of Phase III. The preliminary survey data shows a preference for the January change, with 78% of families, 72% of teachers, and 100% of principals indicating that January would be the best time for the change.

### FAMILY SUPPORT FOR DIGITAL PLATFORMS

As we make our way through the school year, we have continued to provide support for families with various aspects of navigating our digital platforms. Support for digital platforms can be found on our district website under the student TAB at the top of the page.
