SUPERINTENDENT

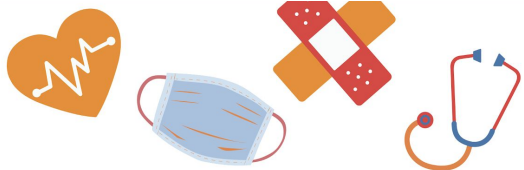

Gina Potter, Ed.D.

HAPPY VETERANS DAY! NO SCHOOL ON WEDNESDAY, NOVEMBER 11TH

A sincere and heartfelt “thank you” to all our veterans, current military members and their families for your service, dedication and commitment to our country.

SUCCESSFUL COMMUNITY FLU SHOT CLINIC

On Friday, November 6th Champions for Health held a successful free flu shot clinic at Willow Elementary School from noon to 5:00 p.m. Many San Ysidro residents took advantage of the opportunity to receive a free vaccination for this year’s flu season. Health officials are strongly urging the public to get vaccinated due to the added concern of the current COVID-19 pandemic. A total of 400 flu vaccinations were administered. The medical team ran out of vaccines an hour prior to closing the clinic. A heartfelt “thank you” to Champions for Health, United Health Care, Live Well San Diego, Azusa Pacific University and Willow Elementary staff for providing this valuable event for our community. Andrew Gonzalez from Champions for Health and personal from the San Diego County Health & Human Services Agency worked with Omar Calleros, SYSD Coordinator, Community Schools, School & After School Programs, to bring this event to San Ysidro for our families and students.

COVID-19 TESTING FOR SCHOOL STAFF

As our district moves into phase two of our reopening plan, we would like to share with you the progress being made in COVID-19 testing for school staff. Thanks to the County of San Diego and San Diego County Office of Education, our district staff is able to be tested for COVID-19 safely, and at no cost. As of October 1st, testing sites were opened for school district employees throughout the county. These sites aim to produce results sooner than 48 hours after an individual is tested. This is helpful as it supports our number one priority of keeping all SYSD schools and facilities safe. All district employees working onsite shall test for COVID-19 every other month. All school districts countywide now have access to these COVID school personnel testing locations. This past week our SYSD Child Nutrition Services staff, Bus drivers, grounds and maintenance tested for COVID-19. Our new SYSD testing process is working well and has been well received by everyone.

EDUCATIONAL SERVICES

END OF FIRST TRIMESTER (59 DAYS) AND PARENT CONFERENCES BEGINING WEEK OF NOVEMBER 16TH

The first trimester for the elementary schools ended on Friday, November 6th. Teachers will be completing reports cards to communicate student progress for the first trimester to parents. This year due to COVID-19, we worked collaboratively with teachers to modify the elementary report card to include academic grades and social emotional competencies.. Parent conferences will be held during the week of November 16th. These conferences are a vital part of student achievement, so that parents and teachers can discuss student progress and next steps for student success.

INSTRUCTIONAL PROGRAM PHASE III PLANNING

In preparation for the launch of Phase III in January, the district sent out a letter to all families who had not completed the family survey indicating their preference for Distance or Blended Learning. Friday, November 6th was the last opportunity for families to complete the survey. Any family who did not respond will, by default, be placed in the Distance Learning Academy.

GRADING POLICY FOR 2020-21

The district has been working on grading policy for the 2020-21 school year to include COVID-19 considerations. The policy was sent out to parents, teachers, and administrators for feedback. Please find the draft elementary policy [HERE](#).

The middle school policy draft can be found [HERE](#). The feedback has been positive and we are in the process of finalizing the policies to bring to the board meeting on November 12th for approval.
