SCHOOL WINTER HOLIDAY PROGRAMS - SMYTHE, LA MIRADA, SUNSET, SYMS WILLOW, & OVH

A very special thank you to our teachers, classified staff, parents & administrators for making this year's school winter holiday programs AMAZING! Our students were incredible on stage!

COUNTY SUPERINTENDENT DR. PAUL GOTHOLD VISITS SUNSET ELEMENTARY

A special thanks to the San Diego County Office of Education Superintendent, Dr. Paul Gothold for taking the time to visit Sunset Elementary to see the many wonderful things our staff does for students and their learning.

SMYTHE IGT TECHNOLOGY CENTER GRANT

Our district thanks the Board Members, parents, children, staff, community and special guests for taking time from your busy schedules to celebrate the Smythe IGT Technology Center Grant ceremony this past week. We extend a heartfelt San Ysidro thank you to IGT's(International Game Technology) *After School Advantage Program* and Denise Kimes, the IGT California General Manager. Ms. Kimes, thank you for flying in from Sacramento to be here for this special event. Ms. Kimes manages the day to day services for their highly valued customer; the California Lottery. These services include delivery and maintenance of over 100,000 pieces of equipment across 23,000 California Lottery retailers, software development for lottery games and various business consulting services. IGT and Ms. Kimes are proud to play a supporting role in helping the California Lottery deliver incremental funds to California Public Schools.

The IGT *After School Advantage* program provides educational opportunities to local children by donating brand new, high-tech computers, printers, software, furniture, and volunteer hours to public schools and non-profit organizations that sponsor after-school programs within jurisdictions where IGT has offices worldwide, including California.

Smythe Elementary's new Technology Center is the 306th technology lab that IGT has provided. We were 1 of 2 schools in California that were blessed with the IGT *After School Program* grant. IGT provides these labs in over 100 countries.

With this new Technology Center, our children will now have access to 44 Chromebooks, a 70 inch Television and a High Definition Projector and screen. I also would like to extend a very special thank you to Senator Ben Hueso and his staff for their part in recommending Smythe Elementary for this grant.

We also sincerely thank our IGT grant writers: *Erika Meza, Francisco Mata & Todd Lewis!*

17th ANNUAL TEDDY BEAR DRIVE

Former Superintendent Grace Kojima, former Assistant Superintendent of Human Resources Alice De La Torre, and a retired SYSD teacher of 39 years Martha Jacobo led the San Ysidro Women's Club 17th Annual Teddy Bear Drive! The event this year was held this past **Friday**, **December 14th from 5-8pm at SYMS MCC**! San Ysidro children and their families were lined up all the way down the sidewalk to the road for this event to start last Friday evening. Once the event began families filled the SYMS MCC with joy, excitement and anticipation of the holiday cheer!

Our school and department teams are sincerely thanked for the many teddy bears that they graciously donated this year for the Annual Teddy Bear Drive! Approximately 1,400 teddy bears were collected for this year's annual Teddy Bear Drive!
