COMMUNITY ENGAGEMENT AND ADVOCACY

The San Ysidro Chamber of Commerce (SYCC) works with business members, local community colleges, nonprofit organizations, and the community at large to support students in the San Ysidro Elementary SD and Sweetwater High SD's San Ysidro High School through the SYCC Education Collaborative. Presenters will highlight the work of the collaborative and how the local school districts have benefitted from the partnerships. Since its inception, the collaborative has provided scholarships and internships for students in the San Ysidro community. In addition, it has held inspirational movie nights with guest speakers to show students that obstacles can be overcome. Partners have also committed their time to sixth grade pathway presentations, which highlight varying careers.
