## SAN YSIDRO MIDDLE SCHOOL - VIRTUAL OPEN HOUSE EVENT

On February 24th San Ysidro Middle School (SYMS) held their Virtual Open House Event. Principal Maria Connie Rodriguez and Assistant Principal Maria Preciado thanked parents, students and staff. San Ysidro Middle School also welcomed South Bay Community Services to their open house/wellness fair. As a school site, SYMS has been focusing on wellness the entire school year. The wellness fair focused on understanding teen wellness. By teaming with South Bay Community Services (SBCS), we were able to bring awareness to our community, parents, teachers, and staff on how to support our teens. Thank you to the entire team at SBCS for making this night a success. GO VIKINGS!

### **DISTANCE LEARNING & SCHOOL REOPENING SURVEY DATA**

The week of February 22nd SYSD successfully surveyed students, families, and employees to gather feedback to help determine the district's Phase III Instructional Program/s for the remainder of the 2020-21 school year from approximately April through June.

The County is currently under the 25/100,000 case rate metric (at 10.8/100,000 as of 3-2-21) which permits the districts to submit an application to CPHD and the County

Health Department for the re-opening of elementary schools. When the County returns to the Red Tier (7/100K or less) then elementary through high schools may reopen within current state school safety guidelines. All schools may open at any time for Specialized Cohorts statewide which allows for up to 25% of student enrollment at each school to receive in person instruction, primarily for at-risk students.

It is projected that the County may possibly return to the Red Tier on or around March 9th. Local COVID case rates have also notably dropped to: 33.7/100,000 in zip code 92173 and 19.8/100,000 in zip code 92154 from February 7th - 13th.

The Board will make a decision regarding our district's Phase III instructional program options for the last few months of the school year during a Special Board Meeting on March 4th.

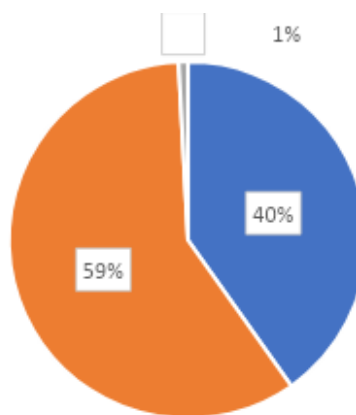

Below are summaries for each stakeholder survey. Note, the surveys were administered prior to the district knowing that all school employees would begin to have access to a vaccine appointment as early as Saturday, February 27th.

### **EDUCATION SECTOR VACCINES APPOINTMENTS NOW AVAILABLE TO HPI QUARTILE 3 & 4 SCHOOLS**

On February 24th, during a County Supervisor press conference, Chairman Nathan Fletcher announced that vaccines became available to the next Tier (Education/Childcare, Emergency Responders, & Agriculture) on Saturday, February 27th. He also indicated that the County will set aside 20% of vaccines for the education sector, which is higher than the 10% county set aside the state recently established.

The San Diego County Office of Education has partnered with VEBA (health insurance provider) for educator access to the vaccine and to create a closed appointment system for TK-12 educators in our county. This appointment portal is not the same as the county health MyTurn appointment portal.

County Supervisor Nora Vargas is applauded by our district for serving as an equity champion and for helping to prioritize education sector vaccines to regions hardest hit by COVID. This vaccine prioritization is a blessing to our educational team in SYSD and to our community.

- TK-12 educators working within Healthy Places Index (HPI) Quartile 4 and Quartile 3 schools were prioritized for VEBA vaccine appointments. The county identified 4 of our 7 schools as Quartile 4 schools: La Mirada, Smythe, Sunset and Willow and 3 schools and the district office are designated HPI Quartile 3 sites: Ocean View Hills, Vista Del Mar Middle, San Ysidro Middle & District Office.
- VEBA vaccines only include TK-12 educators, not preschool staff. Preschool staff have immediate access to the county health department portals for vaccine appointments. County health department websites for vaccine appointments can be found in the District Highlights under “Covid Community Resources”.

- All SYSD staff in all schools and at the district office became eligible to make a vaccine appointment some time between February 26th and March 2nd!

Our district is grateful to have prioritized access to the COVID vaccines for our employees!

## EDUCATIONAL LEADERSHIP, PUPIL SERVICES AND SAFETY

### PERSONAL PROTECTIVE EQUIPMENT (PPE)

Over the course of the past few months, SYSD has systematically acquired a significant inventory of PPE and has an area secured at each site to store the PPE for employee use. Our health professionals are issued N-95 masks and all staff will have weekly replacements of surgical masks.

### UPDATE ON VACCINES THROUGH PARTNERSHIP WITH SUHSD

Last week the SYSD Human Resources department worked with SYSD managers to identify any staff that care for elderly family members or students with special needs. A list was compiled and we reached out to each employee to check if they were interested in a reserved appointment extended to SYSD from the Sweetwater Union High School District. Vaccinations took place on Friday 2/26/21 at Montgomery High school. SYSD had over 20 employees eligible for this vaccine opportunity.

### COVID-19 COUNTY HEALTH DEPARTMENT VACCINATION LOCATIONS

***Note, the below vaccine locations are not for TK-12 education staff; however, preschool staff are directed to make appointments through these county health department vaccine locations.***

***TK-12 education staff will have access to the TK-12 Education VEBA Vaccine Appointment Website: <https://www.vebavaccinates.com/site/vaccination>***

Here is San Diego County's website regarding vaccination locations and appointment information:

### **Quick Tips To Make an Appointment at the Vaccine Super Station**

1. First contact healthcare providers to request the vaccine, but if none are available, then they should make an appointment for the County's COVID-19 Vaccine Super Station
2. Appointments are required and have to be made at [www.VaccinationSuperStationSD.com](http://www.VaccinationSuperStationSD.com)
3. Do not schedule an appointment if you have COVID-19, or are sick. Please follow CDC guidance for those situations
4. Medical professionals administering the vaccine will be wearing personal

- protective equipment.
5. Wear a mask
  6. Acceptable forms of proof to be presented at the County's Vaccine Super Station
    - a. Employee ID badge with photo or other documents, including a professional license and a photo ID, signed letter from their employer on facility letterhead and a photo ID; or, a payment stub or timesheet from their healthcare employer or in-home supportive services with a photo ID

## EDUCATIONAL SERVICES

### 2020-21 WILLIAMS AUDIT AT WILLOW: HIGH SCORE!

The Williams Settlement provides all students equal access to instructional materials, quality teachers, and safe schools. School districts must assess the safety, cleanliness, and adequacy of school facilities, including any needed maintenance to ensure good repair. In compliance with this settlement the San Diego County Office of Education (SDCOE) annually audits one of our school sites as a sample school for compliance. The Williams audit was conducted at Willow and the review encompasses the work of the school site, MOTF, Human Resources, and Educational Services as it monitors facilities, staffing, and instructional materials.

**Congratulations to the entire team for the high score received on the audit.** It is truly indicative of the mission to ensure a high quality education for all of our students in San Ysidro.

## HUMAN RESOURCES

### EMPLOYEE OF THE YEAR NOMINATION PROCESS

Each year our office staff and site administrators work collaboratively with their site union representatives to coordinate the employee of the year process. This year, due to the pandemic, we must take a different approach to selecting our teacher and classified employee of the year. Human Resources will oversee and administer the entire process this year. On Thursday February 18, 2021, all certificated and classified staff received an electronic ballot via Google Forms which they will use to cast their vote for employee of the year. A final list of classified employee and teacher of the year will be available in early March.
