SYSD SCHOOL SOCIAL WORKER TO BE HONORED BY SDCOE: JEDZIDA “JED” HERRON

In honor of National School Social Work Week (March 5-11), SDCOE School Social Work Services will honor and celebrate our outstanding school social workers and interns in San Diego County. The purpose of this event is to highlight the invaluable work of school social workers, recognize rising stars in the field, and celebrate their purpose and passion for the work they do. Our very own, Jedzida “Jed” Herron, La Mirada School Social Worker, will be honored at an event on Friday, March 10th.

Ms. Jed Herron’s nomination is a testament to the hard work and care that she pours into her students at La Mirada. She has served our students with care, compassion and empathy. She has excelled in her role at our district and built a strong school community at La Mirada. She has created a safe and welcoming environment where she serves students through counseling sessions, in the classroom and beyond through a network of community resources. Ms. Jed embodies the values of the social work profession.

She makes time to ensure every student, parent, and staff member feels heard, seen, important, and valued. She is kind, respectful and goes above and beyond to find support for the students and families on her campus. Some of the initiatives Ms. Jed has started to include, but are not limited to: Student Council; No Place For Hate; Social Emotional Learning Art Program; Girls On The Run; after school Pathways Jewelry Class; a Music Assembly; and the San Diego Zoo Wildlife Alliance Program. Through Ms Jed's efforts, she has created a model program and students feel that school is one of the best places to be.
