#### **SAN YSIDRO HAS BEEN SELECTED FOR THE NO KID HUNGRY GRANT**

**Source: Email from Amanda Mascia from San Diego Hunger Coalition**

*“Great news! San Ysidro School District is one of the seven districts selected by the Hunger Coalition to receive grants of \$15,000 each from No Kid Hungry, as well as technical support as needed from the Hunger Coalition to launch new meals/snacks, offer multiple meals, provide bulk meal kits, and/or offer alternative meal pick up times.”*

#### **RESOURCES FOR PARENTS AND TEACHERS TO SPEAK EMPATHETICALLY WITH STUDENTS ABOUT THE CHAUVIN TRIAL**

Our school district has a long history of advocating for equality, equity and justice on behalf of our students, their families and our community. The Chauvin trial reminds us of the importance of ensuring that hate, bias, and racism have no place in our schools. Our continued collective efforts to keep our schools safe for our students remains a top priority. The San Diego County Office of Education has provided [resources for parents and teachers](#) when talking or discussing this issue with students.

#### **Statement from the State Superintendent of Public Instruction Tony Thurmond**

*SACRAMENTO—State Superintendent of Public Instruction Tony Thurmond issued the following statement in response to today’s guilty verdicts in the trial of former Minneapolis police officer Derek Chauvin:*

*“Today’s verdict is an important and long-overdue step for accountability, yet tremendous work remains if we want to truly eliminate the systemic racism that persists in all of our institutions—including public education—and which has denied students and communities justice for generations.”*

## NEWS & COMMUNITY RELATIONS

### **SAN YSIDRO CHAMBER OF COMMERCE EDUCATION COLLABORATIVE MONTHLY MEETING**

On Wednesday, April 21st the SY Education Collaborative held their virtual monthly meeting. Collaborative Chair, Cynthia Nagura, led the meeting which included community, business and educational leaders joined in a partnership to provide service and support for San Ysidro children and families. The various Task Forces and Committees include: STEM Initiative Task Force, Scholarship Committee and Emergency Task Forces; Family Full Services Support and Educational Support. These Emergency Task Forces have been instrumental during the pandemic. The Family Full Services Support Task Force has provided families with information and assistance with access to social services and recently held a job readiness workshop and job fair to address the staggering unemployment that our San Ysidro families have faced.

The Educational Support Task Force has helped our families overcome the challenges with distance learning and WiFi access through parent workshops and providing mental health and social emotional resources for parents and students. Superintendent Potter provided an overview on the reopening of our schools for the Hybrid Learning Program, CDPH COVID Safety Guidance for graduation ceremonies, and the development of Summer School Programs. Other topics on the agenda included an overview of the Promise Neighborhoods program and a possible Town Hall meeting with a county leader to discuss priorities in San Ysidro including the County's role during the pandemic and how to continue supporting our families through the recovery process.

If you'd like to donate to the San Ysidro Chamber of Commerce Education Collaborative scholarship fund which provides scholarships for San Ysidro High School graduating seniors please refer to this informational brochure link: [Scholarship Flyer](#)
