Dr. Potter was honored to be invited to attend a community conversation on Tuesday, May 28th, as part of California State Surgeon General Dr. Nadine Burke Harris' statewide listening tour. This was an incredible opportunity to share high-quality programming and community leadership around health equity and trauma-informed care. It also provided input on how the Office of the Surgeon General can support communities in addressing trauma, root causes of health conditions and health disparities to support San Diego county and the families we serve.
