ORIGINAL SAN YSIDRO SCHOOL PHOTO 1938

Below is a copy of the 1938 San Ysidro School Photo that was restored and donated to the San Ysidro Library by the Friends of San Ysidro.

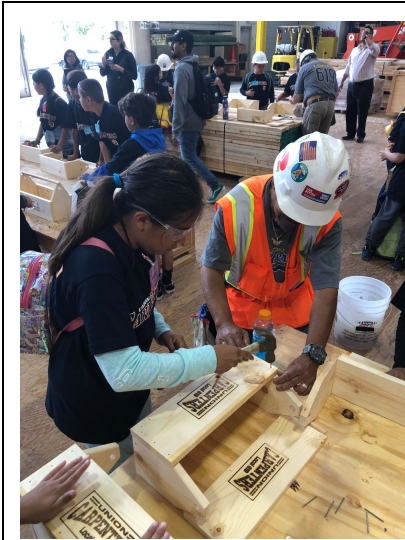

Here's the background on how Jack Gechter, Friends of San ysidro Library Historical Chairman discovered this original San Ysidro School Photo.

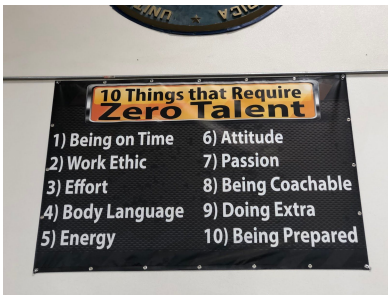

Jack recently (October, 2018) went (with Emil Noriega) to visit **Fred Esparza Jr.** looking for another picture of our San Ysidro WWII Memorial that once stood proudly in front of our San Ysidro Library circa 1946 ---1953. They did not find it, but instead discovered another San Ysidro Historical Picture. It is a picture of **San Ysidro Elementary School** that was located between our Historical San Ysidro Library and San Ysidro Civic Center. This is a **circa 1938 Collage picture**. Jack had this picture restored, printed and a special frame was made for it. Jack gave the restored picture to the San Ysidro Library to be displayed with other San Ysidro historical photographs.

SUMMER CAREER PATHWAYS PROGRAM (Omar Calleros - Education Services)

The summer Career Pathways Program for approximately 160 students had a wonderful first week! Below are photos of students going on field trips to the Carpenter's Union to learn about the carpentering trade and traveling to the San Diego County Office of Education's ITV center to learn about video production! This program is being hosted at Willow and SYMS.

LAST DAY OF WORK FOR KELLI HAY - COORDINATOR OF STATE & FEDERAL PROGRAMS

Staff wished Kelli Hay our Coordinator of State & Federal Programs a warm goodbye with a small gathering on her last day of work, Friday, June 21st. Kelli is traveling to Utah with her extended family and has accepted a teaching position in one of their STEM schools. She is commended for the remarkable work she has done in our district on the Local Control Accountability Plan (LCAP), supporting Principals in completing their Single Plans for Student Achievement (SPSAs), completing almost all state and federal program required documents and for being such an important part of our SYSD family.
