FIRST DAY OF SCHOOL: MONDAY, JULY 26TH

A MESSAGE FROM THE SUPERINTENDENT: WELCOME BACK TO SCHOOL

July 19, 2021

Dear San Ysidro School District Families,

I extend a warm welcome back to our students and families for the 2021-2022 school year. This will be a year of transition as our district works in partnership with our families to support the vast majority of our students to return to full in person instruction in our schools. Our team is sensitive to the significant impact the COVID pandemic has had in our community and in our schools this past year. With this in mind, our Governing Board has identified the theme of the year as **“Adelante”** or **“Onward”** paired with the

goals of safety, social emotional support and wellbeing, student achievement, English language proficiency, parent engagement and student engagement.

We are deeply grateful to our families, district staff and community for uniting this last year to save lives, to support families with resources, and to ensure our students had equitable access to a quality education amidst the pandemic. We are proud of this past year's successes wherein together we maintained the second highest student enrollment in the county, our nutrition team served 785,604 meals, our Sci-Phy team won national distinction with an Innovation in Education Inspire Award for their Project Lead the Way Program, our district earned perfect external and federal program monitoring audits, our student achievement data regarding learning loss appears one to three times better than preliminary state and federal data, and we closed the digital divide and ensured every student has access to a device and/or internet.

Our District is working together as a strong united team to implement our vision and mission which focus on student achievement.

District Vision:

The San Ysidro School District, in partnership with our teachers and community, is committed to providing a high quality, multicultural learning environment that promotes academic excellence, social responsibility and physical and emotional well-being for all students.

District Mission:

Quality education and opportunity for all students to succeed

The first day of school for all students is Monday, July 26th. Schools are sending information to families this week welcoming students back to school and indicating how parents/guardians can find their child's teacher assignment. Additionally, some schools may also be providing a back to school orientation. If your family does not receive notification from your child's school by Thursday of this week, please call or visit your school's office for support as soon as possible. Schools are unable to place a student in a class or provide classroom teacher information to families that have not yet registered their child for school or have not submitted verification of residency information. Student online registration is available on our district website at: <https://www.sysdschools.org/site/Default.aspx?PageID=1057>.

All school offices and the district office are now open Monday through Friday to assist families with student registration, verification of residency, before and after school program applications, school uniforms, Chromebooks, and more.

School uniforms will continue to be required in all of our schools, however our district is providing a 3 week grace period (July 26 - Aug 13) to allow families sufficient time to purchase uniforms. The school uniforms may be purchased at any store of your choice and consist of: navy blue bottoms (pants, skirt or shorts) and a white polo shirt. If your family is in need of support for school uniforms, please contact our Student and Family Services Manager, Veronica Medina at (619) 428-4476 x3083 or veronica.medina@sysdschools.org.

Below is a list of our schools and contact information for any questions and staff assistance.

Your family's help to ensure our students start school on the first day of school (Monday, July 26th) and have great school attendance this year is most appreciated! Research data shows that students who attend school every day are most likely to succeed in academics and in life. In fact, students with great attendance read at grade level or higher, are 4 times more likely to graduate from high school, attend college, and develop healthy life habits.

Here is the district web page link to the 2021-2022 Student Calendar to help you plan for the upcoming school year:

As we open our schools for full in person instruction safety remains a priority for our federal, state, county and district leaders. The leading public health prevention strategy is vaccination to end the COVID-19 pandemic. San Diego county continues to serve as a leader with some of the highest vaccination rates statewide. In addition, our district’s maintenance, operations, transportation and facilities team has done a remarkable job ensuring all schools and departments have multi-layered safety measures in place. The district continues to follow the California Department for Public Health safety measures for schools and child care programs, which were recently updated. These safety measures currently include: upgraded ventilation systems with air purification systems, masks indoors when students are present, hand washing/sanitizing, quarantine guidelines, and symptomatic COVID testing. For more detailed school safety information the updated COVID-19 Safety Plan is on the district website.

SDCOE NEWSROOM: SAN YSIDRO SCHOOL DISTRICT RECOGNIZED AS A "DISTINGUISHED DISTRICT" FOR ITS STEM AND CAREER LEARNING PROGRAM

San Ysidro School District was notified that it had earned the unique designation as a 2020-21 Project Lead The Way (PLTW) Distinguished District. SYSD is one of 17 districts in the United States to receive the honor. The award recognizes school districts who provide "transformative learning opportunities" utilizing PLTW programs for its students. The programs instituted by PLTW, a nonprofit organization that works with millions of students and teachers in PreK-12 grade across the U.S., are STEM based curriculum.

EDUCATIONAL LEADERSHIP, PUPIL SERVICES AND SAFETY

UPDATED SYSD COVID-19 SAFETY PLAN

On July 12, 2021, the California Department of Public Health (CDPH) released its [2021-22 K-12 School Guidance](#).

This new release came on the heels of CDC's [Guidance for COVID-19 Prevention in K-12 Schools](#).

Building on CDC's outline of the various mitigation strategies schools should implement to stop the spread of COVID-19, CDPH's guidance addresses masking, quarantine directives for both vaccinated and unvaccinated students and staff who may have been exposed to COVID-19, hand hygiene, air filtration, and more.

This CSP is designed to control exposures to the SARS-CoV-2 virus that may occur in our workplace. We will use these requirements and protocol to communicate with all district staff, students and families for a safe and successful 2021-2022 school year. The plan can be found on our district's webpage.

HUMAN RESOURCES

2021/2022 PRINCIPAL MESSAGES

Beginning Monday July 19, 2021, Mrs. Nadia Aviles will assume the position of Principal at Ocean View Hills. The following messages were sent on Friday July 16, 2021 regarding the transition.

A Message from Consuelo Carranza

Dear OVHS Community,

I wanted to take this time to thank you for the opportunity to work alongside you during these last two years. This pandemic truly highlighted the resilience, determination, and commitment that this amazing community upholds.

After careful consideration, I wanted to inform you that for personal reasons I plan to return to a teaching position this school year. I appreciate all of your support and camaraderie that you have given me. Please know I am working closely with the district to ensure a smooth transition with your incoming Principal.

With gratitude,

Consuelo Carranza

Announcing New Principal at Ocean View Hills School

We are happy to announce that Mrs. Nadia Aviles has been selected to serve as the Principal of Ocean View Hills Elementary School beginning July 19, 2021. Mrs. Aviles has recently served as the Principal on Special Assignment for the 2020-2021 school year and has supported the San Ysidro School District (SYSD) with the Science and Physical Education Team (Sci-Phy) and the Pupil Services Department. Her efforts have led the district's successful preparation for this upcoming year's Virtual Learning Academy.

Mrs. Aviles has served the SYSD for over 20 years in different capacities. Mrs. Aviles possesses the degree of Bachelor of Arts with a Major in Interdisciplinary Studies and the degree of Masters of Science in Special Education from National University. Mrs. Aviles completed her Administrative Credential program at the University of San Diego in the Educational Leadership Development Academy.

Mrs. Aviles began her career at SYSD as a Teacher's Assistant before serving as an Instructional Aide in the Special Education Department. Prior to becoming an Administrator, she taught in Special Education for seven years serving San Ysidro Middle School (SYMS), Ocean View Hills School (OVHS) and Willow. She has experience in working with grades K-8th. Mrs. Aviles has spent the last eight years in Administration serving as an Assistant Principal at SYMS, OVHS, Willow and Interim Director of Special Education. She has also served as Principal of OVHS and Vista Del Mar Middle School. In 2018, Mrs. Aviles and the OVHS school community received recognition as a California Distinguished School. With her vast experience at multiple sites and at the district level, Mrs. Aviles is excited to return to Ocean View Hills Elementary School as Principal.

BUSINESS SERVICE

LONG RANGE MASTER FACILITIES (LRMFP) IMPLEMENTATION PLAN

On July 15, 2021, the Governing Board approved the district's LRMFP Implementation Plan. The Implementation Plan is a roadmap that will help guide facilities decisions over the next 15 to 20 years. The LRFMP Implementation Plan is assembled around the District's guiding facilities principles of security, technology, evolution, maintenance, parity, and sustainability.
