WONDERFUL FIRST WEEK OF SCHOOL

Staff are commended district wide for doing a wonderful job kicking off the first week of school for students this week! Their hard work was most evident on the first day of school when board members, cabinet, Mr. Mata and I visited all 7 schools. Here are a few photos of our school visits on the first day of school.

RESPONSE TO BOARD REQUEST FOR INFORMATION - CHROMEBOOK ORDER SPECIFICATIONS & UNIT COST

During the board meeting on 8-10-18 board members requested information regarding the piggyback bid Chromebook order. Specifically, board members asked for the Chromebook specifications, unit cost, model (new or older model) and whether or not the Chromebooks would be new or refurbished. Today I emailed board members the staff response to this board request for information.
