**BOARD RECOGNITION/DISTINGUISHED CHAMPION: MR. JASON PERRY**

Mr. Perry was born and raised in New Jersey and is best known for playing with the San Diego Chargers from 1999 to 2001. Even though he played for two other teams in the NFL he returned to live permanently in San Diego. Mr. Perry saw the need of the community and which reminded him of his upbringing. Many people didn't have access to food and his mother would give him snacks to give to his friends. The values his mother taught him about giving lives within him and is a reminder to do what he can, when he can.

Mr. Perry first contacted Mr. Amezquita to deliver food to needy families within the Sunset area. Once Mr. Perry and his team recognized the need of the community, Mr. Amezquita reached out to Ms. Medina and directed the group to deliver to other areas within the community. After a few weeks of delivering food, the group selected a specific area near Willow Elementary that needed the most assistance with food. Mr. Perry and his team have distributed 100 bags of food every Friday at noon for the past 20 weeks. In his team are the next 3 recipients which are Denny Bhakta, Anil and Bharti Patel.

**BOARD RECOGNITION/DISTINGUISHED CHAMPION: MR. DENNY BHAKTA**

Mr. Bhakta was born in India and his parents immigrated to the United States in 1985.

He moved to San Diego in the year 2000 for educational purposes and received an undergrad and graduate degree; he then pursued a career in hotel management. He founded the Manu Bhakta Foundation that is named after his late mother who passed in 2014 due to pulmonary fibrosis. Through his foundation, he donated 10 bikes to two 6<sup>th</sup> grade students from each of our five elementary schools that were identified by their school Principals. The event was held at the District Office and was coordinated by Mr. Amezquita and Ms. Medina.

**BOARD RECOGNITION/DISTINGUISHED CHAMPIONS: MR. BHARTI PATEL & MS. ANIL PATEL**

Mr. Patel was born in Johannesburg, South Africa however he was raised in India. Mrs. Patel was born and raised in Rhodesia which is now known as Zimbabwe. They both have accompanied Mr. Bhakta and Mr. Perry at the food distribution and are members of the Manu Bhakta Foundation. Mr. and Mrs. Patel have also donated 6 kindle fire tablets to students from Sunset and Willow. They also donated over 1,600 bananas to distribute at Sunset's food pantry on July 7<sup>th</sup>.

## **BOARD RECOGNITION/DISTINGUISHED CHAMPIONS: MR. RITO ARCIAGA**

Mr. Arciaga born and raised in San Diego is an Outreach Consultant for the Los Angeles Chargers. When Mr. Spanos, the Owner of the L.A. Chargers relocated the team to L.A., the outreach programs that currently ran in San Diego stayed in place. These programs consist of entertaining convalescent facilities; inviting former Charger players to provide motivational speeches to youth at many schools and Juvenile Hall. When the Chargers were located in San Diego, Mr. Arciaga helped coordinate events with the SYSD to participate in the Payless Shoe Giveaway and would invite our group of students to meet and greet football players after the game. We were able to connect with Mr. Arciaga because his daughter; Alana Arciaga-Laurino works for the SYSD. She is now a teacher at Sunset Elementary.

During this pandemic Mr. Arciaga wanted to continue to work and feed the homeless; so focused on the community where his daughter works and was introduced to Mr. Rodrigo Amezcua; our Outreach Consultant at Sunset Elementary whom then invited Veronica Medina; Student and Family Services Manager to be part of this project. Together they have been working with Mr. Arciaga and have secured food distributions from Dr. Lewis; the Outreach Program Director in San Diego to deliver to the most neediest families within San Ysidro including military families. He also connected Mr. Amezcua with Jason Perry.

## **EDUCATIONAL SERVICES**

### **ONLINE REGISTRATION**

Registration for the 2020-21 continues via a contactless process. This year preschool students are also enrolling via the online registration process.

### **TEACHER PROFESSIONAL DEVELOPMENT**

Distance Learning training that included Google Classroom for teachers took place this week on Monday, August 10th and Tuesday, August 11th. The professional development was built and delivered by 5 of our district teachers: Liana Davis, Melissa Hasemyer, Sylvia Mayer, Katherine O'Callaghan, and Janell Wright. These trainings were organized by topic and skill level allowing teachers to select up to 6 different

### **VIRTUAL PARENT & STUDENT DISTANCE LEARNING ACADEMY ORIENTATION**

On Tuesday, August 11, 2020 at 9 am and 5 pm, a virtual parent and student orientation was provided to help launch our school year. The orientation allowed us to share information on the district's plan for instruction this school year, an overview of schedules and child nutrition services, as well as information on who to contact for support.
