QUALITY EDUCATION AND OPPORTUNITY FOR ALL STUDENTS TO SUCCEED

District Highlights

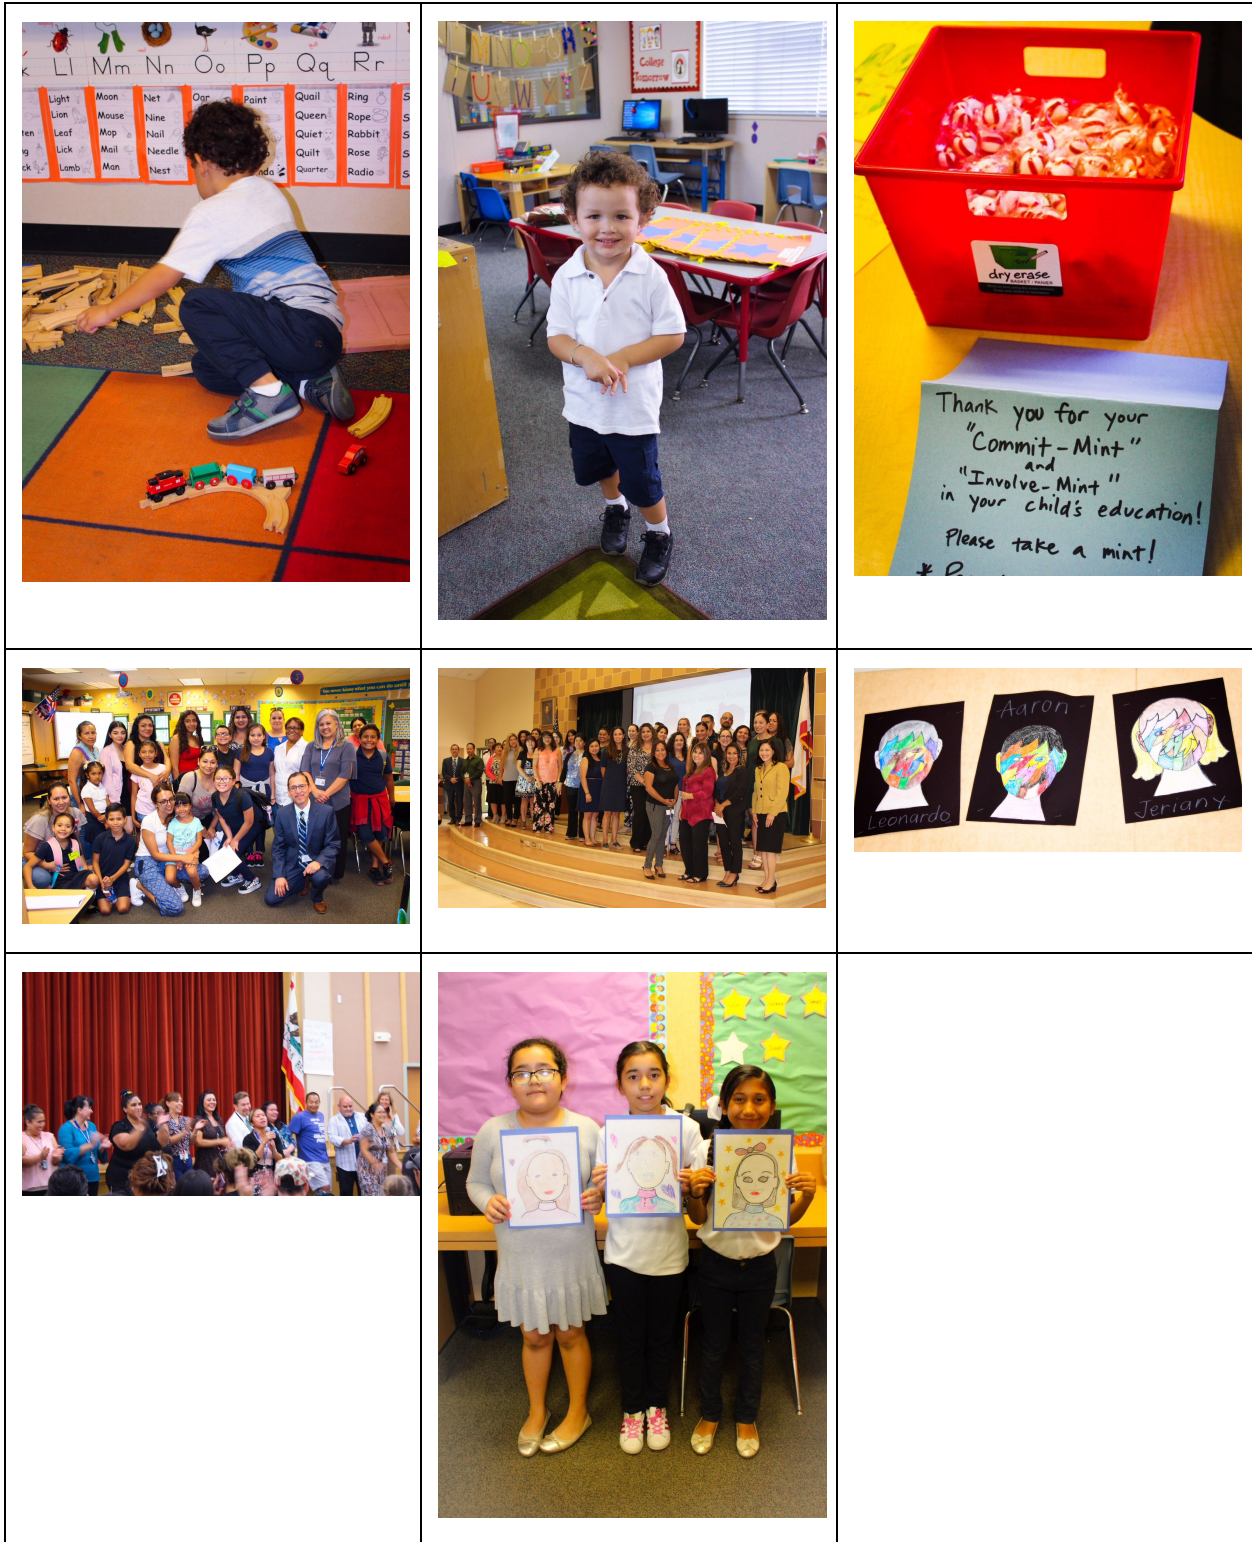

Superintendent - Gina A. Potter, Ed.D.

Week of August 17, 2018

BACK TO SCHOOL NIGHTS HAVE BEGUN!

The Back to School Night Events have begun in our district to welcome families back to school. This week it was wonderful to visit both Ocean View Hills and Sunset during their Back to School Nights and to see the incredible hard work and effort that our principals, teachers and staff have put into making these events a success. Here are a few photos from OVH and Sunset's events:

FRIENDS OF THE LIBRARY & NEW SAN YSIDRO BRANCH LIBRARY

It was an honor to attend the Friends of the Library meeting on Thursday of this week. A special thanks to Board Member Irene Lopez for inviting me. It was so nice to meet

the incredible volunteers and committed residents of San Ysidro that have spent so many years taking great care of the San Ysidro community.

Construction of the new San Ysidro Branch Library is well underway! For details regarding the library construction project click on this web link:

<https://www.sandiego.gov/newsybl>

Also, the new San Ysidro Library Community Tile Program which allows donors to purchase a Brick has had an extension of the date to donate. All brick donations are welcomed and appreciated. Here is the web link to donate a Brick:

SYSD Pathways Extended Learning Program Development - Sports & STEAM Rotations

A special thanks to Omar Calleros, the Coordinator of Full Service Community Schools & After School Programs for his hard work in working to develop and implement our district's new SYSD Pathways Extended Learning Program this year! This program will include fall, winter and spring sports and STEAM (A = for Arts) rotations at each of our middle and elementary schools.

Mr. Calleros and Mr. Zummo are working swiftly to recruit flag football and softball/baseball coaches for the middle school fall sports which will begin end of Aug or beginning of September.

Mr. Calleros will present an update on the development and implementation of the SYSD Pathways Extended Learning Program to the Board during their September 13th board meeting.
