QUALITY EDUCATION AND OPPORTUNITY FOR ALL STUDENTS TO SUCCEED

### District Highlights

Superintendent - Gina Potter, Ed.D.

Week of August 21, 2020

## SUPERINTENDENT

### SUCCESSFUL FIRST WEEK OF SCHOOL

Our district extends our deepest gratitude to our teachers, our child nutrition team, our technology team, our administrators, our MOTF team, our school and department office teams, and each of our SYSD colleagues who worked tirelessly to successfully launch the new school year for students on Monday, August 17, 2020! We commend each of you for being heroes in our community and for the compassionate and humanitarian efforts you are making to ensure our students, their families, our staff and our community remain: **SAFE, CONNECTED**, receive regular **COMMUNICATION &** receive a **HIGH QUALITY EDUCATION**.

Our district warmly welcomes back our students to the new school year! We are so excited to have our students back learning with us. Students, you have been doing a great job waking up early in the morning for school, logging on to your class/es on time and being responsible for your learning. We are so very proud of you!

From April through August 2020 our district distributed over 3,000 Chromebooks to preschool through 8th grade. While the vast majority of our students who need a device now have one, there are a select few students at each school who are waiting for our third shipment of Chromebooks to arrive. The district was notified that this last shipment of Chromebooks has been delayed by 4-8 weeks due to high demand worldwide. The district's business and technology teams are working hard to locate an alternate vendor to supply us with additional Chromebooks as soon as possible. Our students can also use their own personal computer, laptop, or cell phone (via the Google Classroom App) to log into their Google Classrooms each day with their teacher/s.

Together we are strong and together our collective humanitarian efforts will help us make it through this unprecedented time. **#SYSDTOGETHER #SYSDJUNTOS**

**OCEAN VIEW HILLS WELCOME BACK VIDEO MESSAGES 2020-2021**

OVHS shared with a couple of videos that were sent out to their students and families. Amidst the unexpected circumstances of the first day of Distance Learning, OVHS administrators/staff thought these videos would bring a smile to their faces and let them know that we are all #Together/Juntos.
