NATIONAL HISPANIC HERITAGE MONTH: SEPTEMBER 2023

On September 7th, the Governing Board approved a resolution designating September 2023 as National Hispanic Heritage Month in the San Ysidro School District. The State of California is home to more than 3,376,591, Latina, Latino, and LatinX students from kindergarten through twelfth grade. In our district 89% of our students are of hispanic heritage. Our district encourages all educational communities to commemorate this occasion with appropriate instructional activities in appreciation of our multicultural and multiethnic society and the contributions made by various groups.

During this month of celebration and focus on Hispanic Heritage, we are reminded of several important tools and resources, including the San Diego County Office of Education's ***Equity Blueprint for Action***. For more information about these resources, please click [here](#).
