Quality education and opportunity for all students to succeed

June 4, 2020

Dear Colleagues,

As the 2019-2020 school year comes to a close, our governance team wants to take a moment to sincerely thank each of you for your hard work and dedication to our students, families and community during this unprecedented time in our history. We have had the opportunity to witness the genuine care and tremendous support you have provided during this coronavirus pandemic.

This school year may be characterized as both a difficult and successful year in so many unique and unplanned ways. The commitment and perseverance you demonstrated by continuing to provide an education to our students, by serving over 148,000 meals, by distributing over 1,500 chromebooks, by organizing and celebrating 43 promotion ceremonies for students, and more, after the COVID-19 mandated school closure has been inspirational! You have exemplified and showcased the professionalism of our craft as educators. Distance learning was new to all of us, yet you embraced it and implemented it with a commitment to ensure our students continued to have equitable access to teaching and learning. We extend our heartfelt gratitude to our staff districtwide for your heroic and humanitarian efforts during this challenging year.

As you plan for the end of this school year and the beginning of our new school year this fall here is a chart of possible dates for your reference. As soon as the district finalizes the revised 2020-2021 school calendar to adjust for a mid-August (rather than July 20) school start date for students we will send it out to all staff and families.
