Quality education and opportunity for all students to succeed

Manuela Colom
Executive Director

Dear San Ysidro Students and Families,

In light of the recent decision to close all school districts across San Diego County, we have worked to compile a list of online learning resources that will be useful during the school closures. These resources are intended to support student learning while schools are closed. The use of these resources is **voluntary**, and while not mandatory, are recommended to help support student learning.

For easy access to the district’s digital programs students need to open the San Ysidro School District website (<https://www.sysdschools.org/>) and click on the **CLEVER** button to access district digital resources. Students will need to know their student ID in order to access CLEVER. If you need help identifying your USER ID and resetting your password please call (619) 428-4476 or email: itsupport@sysdschools.org for support.

Student CLEVER Log-in:

USER ID: studentID@sysdschools.org	PASSWORD: sybirthdate(mm/dd/yyyy)
Example: Student: Jane Doe, ID: 123456, DOB 04/04/2004 – Login ~ Email: 123456@sysdschools.org, Password: sy04/04/2004	

CLEVER brings all district applications into one secure portal and provides single sign-on for all students and teachers in the district for the following programs:

For access to CORE English Language Arts (ELA) & Math students can log in to:

CORE English Language Arts (ELA)	CORE Math
Benchmark Advance/ Benchmark Adelante (Grades K-6)	My Math (Grades K-5)
Amplify IT (Grades 7-8)	Springboard (Grades 6-8)

For Supplemental Materials students can log in to:

Renaissance Learning: Accelerated Reader	Renaissance Learning: Accelerated Math
Imagine Learning	Imagine Learning: Imagine Math
Raz-Kids/Reading A-Z	Achieve 3000*

*Achieve 3000 - Only for La Mirada, Willow, 4th – 6th grades Smythe, 4th & 6th grades Ocean View Hills and 4th/5th Grade Sunset.

KPBS in Educational Content on TV & Online During School Closures

In partnership with the San Diego County Office of Education and San Diego Unified School District, KPBS is streaming TK-12 educational programming on its public television channel and opening access to its digital library of resources for students, families, teachers, and the community during school closures.

Broadcast Resources

Beginning Monday, March 16, KPBS 2 will broadcast 12 hours of programming selected to meet the TK-12 California educational standards. The programming will be from 6 a.m. to 6 p.m. in viewing blocks by grade level:

- 6 a.m. to 8 a.m. - Grades TK-3
- 8 a.m. to 1 p.m. - Grades 4-8
- 1 p.m. to 6 p.m. - Grades 9-12

How to Watch

A student does not need access to a computer or the Internet to watch. Tune into KPBS 2 with an antenna at channel 15.2, or on Cox 811 or Spectrum 1277. The programming and digital content is also accessible via mobile. Direct TV, Dish, and AT&T U-verse do not carry KPBS 2. If you have this service, change the input on your TV to use the antenna and watch over the air on channel 15.2.

Free Online Resources:

Free Online Resource	Description
Starfall Education https://www.starfall.com/h/	TK-3 ELA Activities that focus on phonemic awareness, and common sight words in conjunction with visuals have proven effective in teaching emergent readers.
Storyline Online https://www.storylineonline.net/	3-5 ELA Storyline Online, streams videos featuring celebrated actors reading children’s books alongside creatively produced illustrations. Students can follow along while the author reads.
Khan Academy Math https://www.khanacademy.org/math	K-8 Math Lesson by Grade Level Topics
CAASPP Online Practice Tests http://www.caaspp.org/practice-and-training/	Student Interface Practice and Training Test Available for grades 3-8.
BrainPop https://www.brainpop.com/	Explore instructional videos, games and activities in all subject areas. Currently SYSD has free access. Username: sysd Password: sysd2020
Class Dojo Growth Mindset	Social Emotional Learning Videos on Growth Mindset
Typing Lessons https://www.typing.com/student/lessons	Typing Program
Move to Learn https://movetolearnms.org/for-the-classroom/	TK-12 Physical Education and Wellness Each five-minute video is designed to help refresh your students’ minds through a controlled exercise break.
At Home Learning: Where Children Mater KPBS Distance Learning https://covid-19.sdcoe.net/Distance-Learning/KPBS-Distance-Learning	TK-12 San Diego County Office of Education, San Diego Unified School District and KPBS are collaborating to make at-home learning options available for educators, parents, and students. The partnership includes a broadcast component with standards-aligned programming in blocks by grade level and a digital component with access to an online library of free educational resources.

For students with disabilities and/or special needs the district is mailing home information regarding how these students can be supported during the school closure period.

In the event school closures extend beyond spring break the district is working to provide continued learning options in a paper study packet format for families who do not have access to the internet, computers, laptops, or tablets.

During school closures your child’s teacher will be communicating with your family utilizing communication platforms such as district email, Google Classroom, TeacherEase, or Class Dojo. Please continue to look out for messages regarding school closures and academic resources. We wish you and your family safety and health during this worldwide coronavirus pandemic.

Sincerely,

 Cynthia Monreal Gonzalez
 Director of Educational Services
