The Board values the input of parents, students, employees and other members of the public. Our goal is to allow the free exchange of views among Board members and its staff and between members of the public and the Board while maintaining a respectful and orderly atmosphere. It is the Board's policy to encourage all interested individuals to contribute constructive ideas and perspectives during the meetings, while respecting the right of others to express their ideas and perspectives. The Board welcomes disagreement, but it is important that disagreement be expressed in a meaningful and respectful manner. Speakers should not make personal attacks on other individuals. To promote these goals, we ask that everyone be courteous, patient and respectful while others are speaking. Each speaker should feel free to express his or her viewpoint freely, but in a courteous and respectful way, speaking concisely and within the allotted time limits.
