  - 1. CSEA shall have the right to represent CSEA unit members in IPMs initiated by either the district or the unit member.

## ARTICLE 6. LEAVES

### A. General

1. The District shall have the right to award leaves with or without remuneration. The District may require employees on any form of leave of absence to verify to the District's satisfaction that the entire leave is being used or was used for the reason(s) for which the leave was granted.
2. Any failure to provide verification upon District request shall allow the District to cancel such leave immediately in addition to any other remedies which may also exist.
3. All following sections shall be governed by the provisions of this Section.

### B. Sick Leave

1. A full-time classified employee employed for a full workweek and a full fiscal year shall be entitled to twelve (12) days leave of absence for illness or injury. A classified employee employed for a full workweek, but less than a full fiscal year, is entitled to that proportion of 12 days as the number of months he/she is employed bears to twelve (12).
2. Sick leave for a part-time or regular hourly bargaining unit employee shall be on the basis of his/her daily hours prorated one (1) day per month of service.
3. Credit for illness and injury need not be accrued prior to taking such leave by the employee and such leave may be taken at any time during the year. However, a new employee of the District shall not be eligible to take more than six (6) days or the proportionate number to which he/she may be entitled, until the first day of the calendar month after completion of six (6) months of service with the District.
4. If the employee does not utilize the full amount of leave allowed in any year, the amount not taken shall be accumulated from year to year so long as he/she remains in the employment of the District.
5. Employees covered by this Agreement shall be required to present a licensed physician's certificate verifying the personal illness or injury for five (5) or more consecutive working days of absence.
6. For the 2023-2026 contract years only, the District shall agree to permit Personal Illness absences in one hour increments for all bargaining unit members.
  - a. Unit members who enter an absence that is not in one hour increments shall have their absence rounded up to the next hour increment.

Unless negotiated prior to the end of the 2026 school year, the language would revert back to following:

Absences for less than full workday shall be administered as follows:

- b. If a unit member leaves work due to illness or for a doctor's appointment, the unit member's sick leave shall be charged for time lost rounded to the nearest ½ day.

**C. Catastrophic Leave Bank**

1. The District shall establish a catastrophic illness/injury leave bank to which eligible unit members may voluntarily donate earned sick and vacation leave. This donation shall be irrevocable and shall be accomplished by the unit member completing a written form entitled Catastrophic Leave Bank Donation Form (Appendix F). A donation to the bank shall be a general donation or to a specific employee as designated by the employee making the donation. Unit members shall be permitted to make donations to the catastrophic illness/injury bank at any time during the school year.
2. A catastrophic illness/injury is defined to mean an illness/injury that is expected to incapacitate the employee for an extended period of time and taking time off from work would create a financial hardship for the employee.
3. Qualifications to make donations are as follow:
  - a. The unit member must have an accumulated sick leave balance of at least ten (10) sick and/or vacation leave days at the time of donation.
  - b. The eligible unit member must donate a minimum of one (1) working day of sick and/or vacation leave hours to the bank, but not more than five (5) working days of sick and/or vacation leave hours in any one (1) school year.
  - c. Any unit member making a donation to a specific employee should also be deemed an eligible qualified employee if needing to benefit from the bank.
  - d. Any leave donated to a specific employee under this provision that remains unused shall be returned to the general donation bank.
4. Any permanent unit member who suffers from a catastrophic illness/injury is eligible to apply for use of sick leave days from the bank, except that unit members not currently participating in the catastrophic leave bank (i.e., donating accrued and unused sick leave) may only apply for and use sick leave days from the bank in cases of extreme hardship, as determined by the Catastrophic Event/Illness Leave Bank Peer Review Committee. To be eligible for use of bank days, the unit member must have exhausted all accrued paid leave credits, including vacation. The unit member must use all paid leave credits that he/she continues to accrue on a monthly basis before receiving bank hours.
5. Hours of donations or utilization are based upon full-time employment and utilization for part-time employees shall be credited or used on a pro-rata basis. The maximum number of hours to be utilized by any one eligible unit member for a single catastrophic illness/injury shall be as follows:

- a. If the unit member has contributed one (1) day or less he/she would be eligible for up to fifteen (15) days withdrawal from the catastrophic illness bank.
  - b. If a unit member has contributed two (2) days he/she would be eligible for up to thirty (30) days withdrawal from the catastrophic illness bank.
6. Maximum withdrawal from the bank in any one year shall not exceed sixty (60) days per unit member, unless specific donations have been made to the employee. In this case, the leave shall be extended to equal the same number of days donated to the specific employee.
  7. A unit member requesting use of bank hours must provide the District with written verification of the illness/injury prepared by a licensed physician.
  8. Solicitation for the bank shall be administered by CSEA Chapter 154. The District shall provide all forms which are to be used for this purpose. All forms shall be forwarded to the Human Resources Department for processing.
  9. Catastrophic Event/Illness Leave Bank Peer Review Committee: All employees wishing to use this Catastrophic Event/Illness Leave Bank shall submit a Classified Catastrophic Event/Illness Leave Bank Request for Withdrawal Form. This form shall be submitted to the Human Resources Department. The request shall state the maximum number of days being requested by the employee. The Catastrophic Event/Illness Leave Bank Committee shall consider the request of the employee. The committee shall consist of three (3) standing committee Members, one at large committee member and one alternate member. The standing committee members shall be the Director of Human Resources, the CSEA President, and a member of the CSEA Executive Board. The purpose of the committee shall be to verify eligibility for leave under this Article.

The at-large member and alternate shall be selected by the CSEA Executive Board. Approval of any request shall require a majority vote of the committee members. The decision of the committee shall be final and binding and not subject to the grievance procedure of the Collective Agreement in force between the District and CSEA.

10. Employees who are granted use of the catastrophic leave bank shall be considered in regular paid status while using donated leave days. Leave granted under this Agreement will be coordinated with the fifty percent (50%) differential leave to create a full day of wages. Health and Welfare benefits will continue as applicable.
11. CSEA Chapter 154 shall hold harmless and indemnify the District from any and all claims, attorneys' fees, judgments, costs or settlements arising from the administration of this article.

**D. Extended Sick Leave**

1. Unit members who are absent due to their personal illness or injury for more days

than their accumulated sick leave balance in a fiscal year shall be entitled to up to 100 days of Extended Sick Leave paid at 50% of the member's salary as follows:

- a. Sick leave, including accumulated sick leave from previous years, and the 100 days of Extended Sick Leave shall run concurrently.
- b. If a Unit Member has less than 100 days of accumulated sick leave and uses all of those days in a fiscal year, he or she shall be entitled to Extended Sick Leave equal to the difference between 100 days and the amount of accumulated sick leave in that fiscal year.
- c. Up to 100 days of Extended Sick Leave is available in each fiscal year but unused amounts from one year shall not be carried forward into the subsequent year.

**E. Personal Necessity Leave**

1. Personal necessity leave shall be granted to an employee who has sufficient sick leave credit, for circumstances that in the opinion of the District are serious in nature, which cannot be expected to be disregarded, and which necessitate immediate attention and cannot be dealt with during off-duty hours.
  - a. Such members may elect to use not more than seven (7) days per year of unused sick leave for purposes of "approved personal necessity" leave. It is agreed and understood, however, that an absence would not qualify under this provision if the reason for such an absence was to participate collectively or individually in concerted employee activities such as a strike, work stoppage, or other organized or unorganized withholding of service from the District.
  - b. Unused personal necessity leave entitlement shall not be accumulated from year to year.
  - c. The number of days of personal necessity leave shall not exceed the number of full days of unused sick to which the member is entitled.
  - d. If possible, the employee shall submit a request for "personal necessity" leave via the electronic absence system three (3) workdays prior to the beginning date of the leave. It is understood that all personal necessities cannot be anticipated, but it is the intent to administer this policy as equitable as possible for all classified employees of the District.
  - e. The District reserves the right to review each request and to verify such request by any appropriate means. The immediate supervisor is responsible for granting or denying the request.
  - f. Unit members using Family Medical Leave and California Family Rights Act Leave to care for an ill or injured child, spouse, parent, or registered domestic partner shall be required to take all available Personal Necessity Leave concurrently.

2. In the event of denial of request for "personal necessity" leave by the employee's immediate supervisor, the employee may, prior to request leave date, appeal the decision to the Human Resources Department Head.
3. The prior approval requirements shall not apply to the following reasons:
  - a. Death or serious illness of a member of the immediate family. Requests granted under this provision shall be in addition to those provided under the Bereavement Leave of this Article.
  - b. Accident, involving the unit member or his/her property, or the person or property of a member of the immediate family.
  - c. Any other emergency that may arise.
4. For purposes of this Article, immediate family is defined under the Bereavement Leave Section.

**F. Bereavement Leave**

1. An employee shall be eligible for up to five (5) days leave of absence without loss of salary on account of the death of any member of his/her immediate family.
2. For the purpose of this Article, an immediate family shall be defined as the following relatives of the unit member or his/her spouse or domestic partner: mother, father, foster parent, grandmother, grandfather, foster child, son, daughter, niece, nephew, aunt, uncle, grandchild, brother, sister, any relative or person sharing the immediate household of the unit member or a close friend, and any employee suffering the loss of their unborn child or unborn grandchild. In the case of a close friend, a unit member shall be entitled to only one (1) day of leave of absence without loss of salary once in a two-year period.

**G. Industrial Accident and Illness Leave**

1. An employee shall be eligible for industrial accident and illness leave for personal illness or injury which has qualified for workers' compensation under the provisions of the State Compensation Insurance Fund.
2. An employee who has sustained a job-related injury or illness shall report the same to his/her immediate supervisor on the appropriate District form within twentyfour (24) hours of the injury or illness. To qualify for industrial accident or illness leave, an employee shall be examined and treated, if necessary, by a physician designated by the District or the District's industrial accident insurance carrier. Whoever may be designated to treat the employee, if necessary, the District retains the right to have the employee thereafter examined by a physician designated by the District to assist in determining the length of time during which the employee will be temporarily unable to perform assigned duties and the degree to which a disability or illness is attributable to the injury and job.
3. Industrial accident or illness leave shall be subject to the following limitations:

- a. Such leave shall not exceed sixty (60) days during which schools of the District are required to be in session or when the employee would otherwise have been performing work for the District in any one fiscal year for the same industrial accident or illness.
  - b. Such leave shall not be accumulated from year to year.
  - c. Such leave shall commence on the first day of authorized absence and shall be reduced by one (1) day for each day of authorized absence regardless of a temporary disability indemnity award.
  - d. When such leave overlaps into the next fiscal year, the employee shall be entitled to only the amount of unused leave due for the same injury or illness.
  - e. For any days of absence from duty as a result of the same industrial accident or illness, the employee shall endorse to the District any temporary disability indemnity checks received by him/her which could make the total compensation from both the District and such disability indemnity exceed 100% of the amount the employee would have received as salary had there been no industrial accident or illness. If the employee fails to endorse to the District any temporary disability indemnity checks received on account of the industrial accident or illness as provided herein, the District shall deduct from the employee's salary warrant the amount of such disability indemnity actually paid to and retained by the employee.
  - f. Upon conclusion of such leave, an employee may utilize any available personal illness or injury leave providing that any personal illness or injury leave utilization, when combined with any temporary disability indemnity shall not exceed 100% of the amount the employee would have received as salary had there been no industrial accident or illness.
  - g. If the employee fails to endorse to the District any temporary disability indemnity checks received on account of the industrial accident or illness as provided herein, the District shall deduct from the employee's salary warrant the amount of such disability indemnity actually paid to and retained by the employee. Any employee receiving benefits for such leave shall, during the period of injury or illness, remain within the State of California unless the District previously authorized travel outside the State.
4. Any employee shall be permitted to return to service following an industrial accident or illness only upon presentation of a release from the authorized worker's compensation physician certifying the employee's ability to return to his/her position without restrictions or detriment to the employee's physical and emotional well-being, and the health and safety of others.

5. "Light Duty Work" shall be defined as a temporary assignment offered by the District to meet an employee's temporary physical limitations resulting from an illness or injury (for purposes of this section, temporary shall mean the temporary physical limitations will last sixty (60) days or less pursuant to the District's Return To Work Program). If the physical limitations are temporary, the District shall make a determination as to whether reasonable accommodations can be made to allow the employee to return to work. Such a determination shall be within the sole discretion of the District. If the District determines that the physical limitations can be reasonably accommodated, the employee shall be allowed to return to work to perform "Light Duty Work" as soon as such a determination can be reasonably made. The employee shall produce whatever medical verification that the District requires in making a determination pursuant to this section.
6. The District shall comply with the Americans with Disabilities Act.

#### **H. Jury Duty**

1. A bargaining unit employee shall be entitled to leave without loss of pay for any time the employee is required to perform jury duty. The District shall pay the employee the difference, if any, between the amounts received for jury duty and the employee's regular rate of pay. The employee shall be entitled to all amounts received as reimbursement for meals, mileage, and parking.
2. Any employee in the bargaining unit whose regular assigned shift commences at 12 p.m. or after and who is required to serve all or part of the day on jury duty shall be relieved from work for that day without loss of pay.
3. It is the responsibility of the employee to report to work whenever he/she is not required to attend jury service. An employee released from jury duty prior to the end of their half day schedule shall return to work the remainder of their shift.
4. It is also the responsibility of the employee to contact his/her work site daily for the purpose of reporting absence due to jury service. Such reporting shall be in accordance with District approved procedures.

- b. Unit members shall be expected to return to work no later than six (6) weeks following normal birth or eight (8) weeks following Caesarian section birth except under the following conditions:

  - ii. The Unit Member elects to take up to twelve (12) additional weeks of paid leave for child bonding pursuant to the California Family Rights Act within 12 months after the birth of the child.

**J. Family Care Medical Leave**

  - a. Employees who have been employed for at least 12 months prior to the leave and worked at least 1,250 hours during that same period shall be entitled to 12 workweeks of unpaid or accumulated paid leave, excluding break periods but including holidays, within each fiscal year for the following situations:
    - i. Serious health condition of the employee.
    - ii. Serious health condition of the employee's child, parent, parent-in-law, spouse, registered domestic partner, grandchild, grandparent, sibling, or someone else related by blood or in a family like relationship specific as a designated person.
    - iii. Birth of a child, or placement of a child in the family for adoption or foster care.
  - b. Except in the case of pregnancy and subsequent child bonding, FMLA and CFRA leave shall run concurrently with each other.
  - c. For pregnancy, a Unit Member may take an additional twelve (12) workweeks of paid leave under CFRA to bond with a child within twelve (12) months of birth.
  - d. FMLA and CFRA shall run concurrently with all paid leaves, and in the case of pregnancy, childbirth, and related medical conditions FMLA shall also run concurrently with Pregnancy Disability Leave.
  - e. Unit members shall be entitled to health and welfare benefits during FMLA and CFRA leave. In the event that FMLA and CFRA extends beyond any paid leaves, the unit member shall be required to remit the employee portion of any required premiums for dependent coverage to the District, in advance, pursuant to procedures in effect at the time.

Extra trips shall be defined as any hours not normally covered in the contract time and/or contract year. The extra trip list shall begin on July 1 and continue through June 30 of each year.

result of another nutrition services worker being absent. When a substitute is called in this situation, the intent is that the work hours be adjusted (with the approval of the Nutrition Services Manager) so that a current employee has the opportunity to work additional hours and the substitute works the lesser shift. This opportunity will be offered on a rotational basis. The rotation list will be posted and will be updated weekly.

2. If no substitute is available and the District knows in a sufficient amount of time, the District agrees to call in other cafeteria workers(s) early and/or extend the workday, if necessary, to complete the assigned tasks of the absent employee.

## ARTICLE 14. WAGES AND FRINGE BENEFITS

The parties agree to reopen this Article to negotiate Wages and Fringe Benefits in June of each year of the Agreement.

### A. **Compensation**

The classified salary schedule shall be increased by 6% effective July 1, 2022 and 0.5% effective January 1, 2023. In addition, a 2% off schedule payment shall be issued based on the salary schedule that begins July 1, 2022.

Members of the classified bargaining unit shall receive a percentage increase in their compensation package which is not less than the percentage increase in the compensation package provided to management personnel (neither the superintendent, assistant superintendents, nor confidential personnel shall be included as "management" or "supervisory" personnel); and should the certificated bargaining unit receive a percentage increase in their compensation package which is greater than the classified bargaining unit receives, the CSEA shall receive the same. For purposes of this section, the term "Designated Group" shall refer to the classified bargaining unit, the certificated bargaining unit, and the group of management employees described above.

For purposes of the preceding calculation, the percentage increase in the compensation package of a Designated Group shall exclusively measure, with respect to each Designated Group, the weighted average of: (1) increases in the daily rate pursuant to salary schedules (considering the current workday); (2) increases in the amount of contributions to the employee benefit pool through which the District pays for life, health, vision, and dental insurance; (3) increases in the amount of stipends; and (4) increases in hourly rates paid to employees

### B. **Health and Welfare Benefits**

The District will provide benefits coverage for eligible employees. Eligible employees are those who work half-time or more. Employees may select the type of plan and carrier approved by the District.

The District, on an annual basis, shall establish a "pool" to implement the District's maximum contribution per eligible employee. Effective January 1, 2008, all District employees will be placed into one (1) combined pool. The pool shall be equal, on an annualized basis, to the product of District contribution times the number of eligible employees. The utilization of a pool approach will allow an individual eligible and participating employee to receive less or more than the District contribution per year, but in no event shall the total amount contributed by the District exceed the product of the District contribution times the number of eligible and participating employees on an annualized basis. In the event that the total amount in the pool is not sufficient to cover the costs for all eligible employees, the costs in excess of the total amount in the pool shall be paid by eligible employees whose plans exceed the District contribution on a proportional basis according to the full costs of their respective plans. The District, through the pool, shall continue providing unit members with life insurance benefits of \$40,000 until October 10, 1999. Effective October 11, 1999, the pool shall be used to provide unit members with life insurance benefits of \$50,000.

As long as a single pool for all employees is maintained, the District shall ensure that its contribution to the pool is no less than the current “per employee” contribution, as set forth below, and at least as much as the total annual premium costs for employee only coverage for health, dental, vision and life in the HMO plans available in each of those categories. The District will also work with its insurance administrator, currently VEBA, to maintain compliance with all provisions of any contract between the District and its insurance administrator.

Effective January 1, 2023 the District "per employee" contribution to the pool shall be \$10,500.00. The District and CSEA agree to re-open this Article each year of this Agreement upon receiving the rate information for the upcoming plan year.

The District will convene a Composite Insurance Team (“CIT”) composed of up to four (4) members from, and selected by, each employee group (SYEA, CSEA and Management/Confidential). Within 20 working days of receiving rate information for the upcoming plan year from the Insurance Administrator, the CIT shall convene to review the rate information, plan options and applicable cost comparisons. CIT members shall then share the information obtained with their respective bargaining teams for negotiation.

- E. Employees shall be reimbursed for any verifiable loss; destruction or damage to their personal property while the employee is conscientiously performing or being in a location to perform his/her duties, a maximum of one hundred dollars (\$100.00), if there is no negligence on the part of the employee and the value is greater than \$25.00. If the damage is sustained on employee's vehicle, the maximum reimbursement for any vehicle damage shall be \$200.00. Reimbursement for vehicle damage is strictly limited to actual use during and within the scope of employment. The total reimbursement for all loss, damage or destruction of personal property for all employees and/or all incidents under these provisions shall not exceed \$2,000.00 in any fiscal year.

Reimbursement for verified loss, damage or destruction of personal property suffered while performing services for the District is provided only when written approval for the use of the personal property in the schools was given by the supervisor before use while performing services for the District. All such prior approval shall be in writing. Exception to such prior approval shall be vehicles, eyeglasses, hearing aids, dentures, watches or articles of clothing necessarily worn or carried by the employee.

If an employee receives any payment from an insurance carrier for any loss, damage or destruction for which the District gave reimbursement, the employee shall repay the District if such payment from an insurance carrier covers the same loss, damage or destruction covered by the District. The District shall, in addition, have all rights of subrogation; and the employee shall execute all assignments and other documents and cooperate and perform all other acts as required by the district in pursuing such rights of subrogation.

A written request for reimbursement must be filed by the employee within twenty (20) regularly scheduled work days of the incident with the District. The District shall conduct such investigation as may be necessary.

The District shall adopt and implement reasonable regulations to implement this provision, but this provision shall be implemented fairly for all affected bargaining unit employees. Bargaining unit members must use reasonable care with any such distinctive uniform, and may be required to reimburse the District for other than routine and normal use. Bargaining unit members must keep any such distinctive uniform clean and in appropriate condition.
- H. Whenever it is determined that an error has been made in the calculation or reporting in any bargaining unit member payroll or in the payment of any salary, the District shall provide the employee with a statement of the correction and promptly notify the County Office to make the necessary correction.
- I. Any paycheck which is lost or destroyed after receipt by the bargaining unit member shall be replaced after the filing of an affidavit by the member that he/she had received a paycheck which was subsequently lost or destroyed.

Any paycheck not received by the member shall not be considered to be lost or destroyed until seven (7) calendar days after the date of mailing to the member or two (2) days after date of delivery to the District from the County Office.

After the seven (7) calendar days or two (2) workdays waiting period, the member, upon the filing of an affidavit, shall have his paycheck replaced.

The District shall notify the County Office promptly of all verified lost or destroyed paychecks.

- J. In the event of an overpayment of pay and allowances, the bargaining unit member or the District shall notify the other as soon as practicable.

In the event that the District learns of an overpayment, no deduction shall be made from any paycheck unless the member is first notified about the specific reasons for the overpayment and is given a reasonable opportunity to meet with a District representative to discuss the matter and present evidence in opposition to the finding of overpayment.

Under no circumstances shall a deduction be made from any one paycheck without written authorization from the bargaining unit member. The sole exception to this rule shall be where an individual is no longer an employee of the District.

Any member adversely affected by a finding of overpayment may grieve such finding pursuant to the Grievance Procedure.

- K. The District shall provide for the reimbursement of actual and necessary expenses, pursuant to regulations of the District, incurred by a bargaining unit member in the course of performing services for the District within the scope of employment. CSEA also may determine to demand to negotiate a change in any new salary granted because of a new classification, reclassification or abolition of position.
- D. The District may reclassify at any time during the calendar year. The CSEA may propose a reclassification(s) during the month of March. The District will provide a recommendation to CSEA and the employee within 60 days of receipt of a request for reclassification. If during the month of March more than three (3) requests are received CSEA and the District will meet to discuss a reasonable extension of the 60 day timeline. All increases in salary due to a reclassification shall be retroactive to the date the request was filed with the Office of Personnel.

## ARTICLE 16. LAYOFF AND REEMPLOYMENT

### A. Reason for Layoff

Bargaining unit employees shall be subject to layoff for lack of work or lack of funds.

### B. Notice of Layoff

Bargaining unit employees shall be given a notice of layoff, as defined under section A and Education Code 45117, no later than March 15<sup>th</sup> of the school year prior to when the layoff is due to take effect. During that time, they will be reemployed in their previous position prior to any new applicants. In addition, such persons laid off shall have the right to participate in promotional examinations within the district during the thirty-nine (39) months. If the employee refuses a reemployment offer, he/she shall not be eligible for further preferred consideration. A refusal shall not preclude an employee from future employment with the District.

**G. Equal Seniority**

If two (2) or more employees subject to layoff have equal seniority within their classification, the determination as to who shall be laid off shall be made on the basis of the greater seniority with the District in a bargaining unit position. If that be equal, then the determination shall be made on the basis of date of hire as a substitute within the district. If that also be equal, the determination shall be made by lot.

**H. Voluntary Demotion of Voluntary Reduction in Hours**

3. District Employee: A District employee is a classified person receiving compensation and belonging to the CSEA bargaining unit as specified in Article I.
4. Representative: A representative is a fellow employee, CSEA, or legal counsel who participates in the grievance procedure.
5. Day: A day which the District office is open for business.

B. The purpose of this Article is to provide a procedure for the processing of grievances pertaining to a dispute which is defined in Section 15.1.1.

C. Any employee(s) may present grievances relating to a contract dispute to his employer and have such grievances adjusted without the intervention of CSEA as long as the adjustment is not inconsistent with the terms of this Agreement. The District shall not agree to the adjustment or resolution of the grievance until CSEA has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a written response.

D. The District and CSEA agree that every effort will be made by management and the grievant to settle grievances at the lowest possible level. The filing of a grievance shall not be construed as reflecting unfavorably upon the employee's good standing, performance, loyalty and desirability to CSEA. The District shall not interfere with, restrain, or coerce employees or representatives of the CSEA merely because a grievance is filed or processed.

1. Failure by the administration to adhere to decision deadlines constitutes the right for the grievant appeal automatically to the next higher step. Failure of the grievant to adhere to the deadlines shall mean that the grievant waives any right to further appeal. However, nothing prevents the supervisor or CSEA representative from extending the dates by mutual agreement.
2. Until final disposition of a grievance takes place, the grievant is required to conform to the original direction of his/her supervisor. The grievant may not be required to act contrary to the contract or the Education Code.

3. All documents dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
  4. If any grievance meeting or hearing must be scheduled during the day, any employee, including CSEA representatives, required by either party to participate in a grievance meeting or hearing shall be released from regular duties without loss of pay
  5. Group Grievances: If the grievance involves more than one bargaining unit employee in a similar classification with different immediate supervisors, the grievance shall be filed on a single grievance form with attached signatures of the aggrieved employees. The grievance shall be filed at Step II.
- E. The grievant has the right to have CSEA present at any step of the grievance procedure.
- F. Procedure: Any bargaining unit member who believes he/she has a grievance shall first present the grievance orally to the immediate supervisor.

1. Step I Formal Resolution

If the grievant chooses to use the formal resolution the grievant shall next present his/her grievance in writing to the immediate supervisor within twenty (20) days after the grievant knew, or reasonably should have known, of the circumstances which form the basis for the grievance. The immediate supervisor shall respond in writing five (5) days after the receipt of the grievance. The written information provided by the grievant shall include:

- a. A description of the specific grounds of the grievance, including names, dates and places necessary for a complete understanding of the grievance;
- b. A listing of the provisions which are alleged to have been violated, misinterpreted or misapplied;
- c. A listing of specific actions requested of the District which will remedy the grievance.

2. Step II

If the grievance is not resolved at Step I, the grievant shall then proceed, within five (5) days after the receipt of the written decision, to present the grievance in writing to the Director of Personnel.

Within five (5) days from the receipt of the grievance, the Director of Personnel involved shall, if so requested, meet with the grievant in an effort to resolve the grievance. The Assistant Superintendent shall make a written disposition of the grievance within five (5) days after such meeting and return it to the grievant.

3. Step III

If the grievant is not satisfied with the disposition of the grievance, or if no disposition has been made within five (5) days of such meeting, the grievance shall be transmitted to the Superintendent or the Superintendent's designee. Within five (5) days from the receipt of the grievance, the Superintendent or designee shall meet with the grievant(s) on the grievance and shall indicate the disposition of the grievance in writing within five (5) days of such meeting and shall furnish a copy thereof to CSEA and to the grievant.

4. Optional Step

Prior to the submission of a grievance to arbitration, either party may make a written request for the services of the state conciliation service for mediation and recommendation.

5. Arbitration

In the event that the grievance is not satisfactorily adjusted at Step IV, CSEA may submit a request in writing that the grievance be submitted to arbitration. The request shall be made within five (5) working days of the receipt of the response at Step IV or the failure of the District to timely respond. The parties shall immediately attempt to select a mutually acceptable arbitrator either from lists to be developed by the parties or developed by PERB. If the parties are unable to agree upon an arbitrator within ten (10) days of the request for arbitration, the grievance may be submitted for arbitration to the American Arbitration Association. The conduct of the arbitration shall be governed by the voluntary labor arbitration rules of the American Arbitration Association.

- G. Both parties agree that subject to the provisions of the Code of Civil Procedure of the State of California, the arbitration award resulting from this procedure shall be final and binding on all parties.

The cost of arbitration shall be borne equally by the District and CSEA.

- H. Complaints: Unit members may file complaints against other employees in accordance with Board Policy 1312 and applicable regulations.

## **ARTICLE 19. NO STRIKE--NO LOCKOUT**

- A. The Exclusive Representative and the Board agree that differences between the parties hereto shall be settled by peaceful means as provided in this Agreement. During the term of this Agreement, the Exclusive Representative, in consideration of the terms and conditions of this Agreement, will not engage in, encourage, instigate, or condone any strike, work stoppage or any concerted refusal to perform work as required in this Agreement and will undertake to exert its best efforts to discourage any such acts by any employees in the unit.

In the event of suspension or invalidation of any Article or Section of this Agreement, the parties agree to meet and negotiate within thirty (30) days after such determination for the purpose of arriving at a mutually satisfactory replacement for such Article or Section.

- B. The District and CSEA agree that it is to their mutual benefit to encourage the resolution of differences through the meet and negotiation process. Therefore, it is agreed that CSEA and the District shall support this Agreement for its term.
- C. It is agreed and understood that CSEA will not strike during the duration of this Agreement.
- D. CSEA and the District recognize the duty and obligation of its representatives to comply with the provisions of this Agreement, and make every effort toward inducing all management, confidential and bargaining unit employees to do so.
